D E C I S I O N

UNEMPLOYMENT BENEFITS ARE DENIED

The Claimant appealed this case to the Employment Appeal Board. The members of the Employment Appeal Board reviewed the entire record. The Appeal Board finds the administrative law judge's decision is correct. With the following modification, the administrative law judge's Findings of Fact and Reasoning and Conclusions of Law are adopted by the Board as its own. The administrative law judge's decision is **AFFIRMED** with the following **MODIFICATION**:

In addition to not being able and available for work at this time, the Claimant is disqualified based on her separation from employment. She effectively abandoned her job based on non-work health conditions and so is disqualified until the Claimant has worked in and was paid wages for insured work equal to ten times the Claimant's weekly benefit amount, provided the Claimant is otherwise eligible.
