Iowa Code § 96.4(3) – Ability to and Availability for Work
Iowa Admin. Code r. 871-24.23(10) – Able & Available – Availability Disqualifications
Iowa Admin. Code r. 871-24.23(26) – Able & Available – Availability Disqualifications
Iowa Code § 96.19(38)a & b – Total and Partial Unemployment
Iowa Code § 96.3(7) – Recovery of Benefit Overpayment
PL 116-136, Sec. 2104(b) – Federal Pandemic Unemployment Compensation

STATEMENT OF THE CASE:

On June 13, 2020, the claimant filed an appeal from the June 9, 2020, (reference 01) unemployment insurance decision that denied benefits based on claimant's availability for work. The parties were properly notified about the hearing. A telephone hearing was held on July 16, 2020. Claimant participated. Employer participated through store leader Pam Wiese. Claimant's Exhibit A was entered into the record.

ISSUES:

Is the claimant totally, partially, or temporarily unemployed?
Is the claimant able to and available for work?
Is the claimant still employed at the same hours and wages?
Is the claimant on a voluntary leave of absence?
Was the claimant overpaid unemployment insurance benefits?
Is the claimant eligible for Federal Pandemic Unemployment Compensation?

FINDINGS OF FACT:

Having reviewed all of the evidence in the record, the administrative law judge finds: Claimant began working for employer on June 15, 2017. Claimant works for employer as a part-time guest services co-worker.

During the last year, claimant worked 12 to 15 hours per week. Claimant is paid \$12.80 per hour. Claimant also has a part-time job with Iowa Valley Community College for many years. It appears claimant is monetarily eligible for benefits based on her wages with Iowa Valley Community College alone.

Claimant filed this claim for unemployment insurance benefits after being laid off from her job with Iowa Valley Community College. Claimant continued to work part-time hours for employer until May 8, 2020, when she experienced a non-work related injury. Claimant has been unable to work since May 8, 2020.

Claimant has partial unemployment insurance benefits from March 29, 2020, through May 9, 2020.

Claimant received regular, state funded unemployment insurance benefits in the amount of \$933.00 and Federal Pandemic Unemployment Compensation (FPUC) benefits in the amount of \$1,800.00 for the three weeks ending May 30, 2020.

REASONING AND CONCLUSIONS OF LAW:

Iowa Code section 96.19(38) provides:

"Total and partial unemployment".

a. An individual shall be deemed "totally unemployed" in any week with respect to which no wages are payable to the individual and during which the individual performs no services.

b. An individual shall be deemed partially unemployed in any week in which either of the following apply:

(1) While employed at the individual's then regular job, the individual works less than the regular full-time week and in which the individual earns less than the individual's weekly benefit amount plus fifteen dollars.

(2) The individual, having been separated from the individual's regular job, earns at odd jobs less than the individual's weekly benefit amount plus fifteen dollars.

c. An individual shall be deemed temporarily unemployed if for a period, verified by the department, not to exceed four consecutive weeks, the individual is unemployed due to a plant shutdown, vacation, inventory, lack of work or emergency from the individual's regular job or trade in which the individual worked full-time and will again work full-time, if the individual's employment, although temporarily suspended, has not been terminated.

Iowa Code section 96.4(3) provides:

An unemployed individual shall be eligible to receive benefits with respect to any week only if the department finds that:

3. The individual is able to work, is available for work, and is earnestly and actively seeking work. This subsection is waived if the individual is deemed partially unemployed, while employed at the individual's regular job, as defined in section 96.19, subsection 38, paragraph "b", unnumbered paragraph (1), or temporarily unemployed as defined in section 96.19, subsection 38, paragraph "c". The work search requirements of this subsection and the disqualification requirement for failure to apply for, or to accept suitable work of section 96.5, subsection 3 are waived if the individual is not disqualified for benefits under section 96.5, subsection 1, paragraph "h".

Iowa Code section 96.7(2)a(2)(a), (b), and (c) provides:

2. Contribution rates based on benefit experience.

a. (2) The amount of regular benefits plus fifty percent of the amount of extended benefits paid to an eligible individual shall be charged against the account of the employers in the base period in the inverse chronological order in which the employment of the individual occurred.

(a) However, if the individual to whom the benefits are paid is in the employ of a base period employer at the time the individual is receiving the benefits, and the individual is receiving the same employment from the employer that the individual received during the individual's base period, benefits paid to the individual shall not be charged against the account of the employer. This provision applies to both contributory and reimbursable employers, notwithstanding subparagraph (3) and section 96.8, subsection 5.

(b) An employer's account shall not be charged with benefits paid to an individual who left the work of the employer voluntarily without good cause attributable to the employer or to an individual who was discharged for misconduct in connection with the individual's employment, or to an individual who failed without good cause, either to apply for available, suitable work or to accept suitable work with that employer, but shall be charged to the unemployment compensation fund. This paragraph applies to both contributory and reimbursable employers, notwithstanding section 96.8, subsection 5.

(c) The amount of benefits paid to an individual, which is solely due to wage credits considered to be in an individual's base period due to the exclusion and substitution of calendar quarters from the individual's base period under section 96.23, shall be charged against the account of the employer responsible for paying the workers' compensation benefits for temporary total disability or during a healing period under section 85.33, section 85.34, subsection 1, or section 85A.17, or responsible for paying indemnity insurance benefits.

Because the claimant has other base-period wages and was still employed part-time, she is considered partially unemployed from March 29, 2020, through May 8, 2020. Partial benefits are allowed, provided she is otherwise eligible. Inasmuch as the current part-time employer was offering the same wages and hours as contemplated at hire, no benefit charges shall be made to its account.

Effective May 8, 2020, unemployment insurance benefits are denied.

Iowa Admin. Code r. 871-24.23(10) provides:

Availability disqualifications. The following are reasons for a claimant being disqualified for being unavailable for work.

(10) The claimant requested and was granted a leave of absence, such period is deemed to be a period of voluntary unemployment and shall be considered ineligible for benefits for such period.

Here, claimant is on a leave of absence effective May 8, 2020, and is unable to work. Therefore, regular unemployment insurance benefits must be denied.

The next issue is whether claimant was overpaid benefits.

Iowa Code § 96.3(7) provides, in pertinent part:

7. Recovery of overpayment of benefits.

a. If an individual receives benefits for which the individual is subsequently determined to be ineligible, even though the individual acts in good faith and is not otherwise at fault, the benefits shall be recovered. The department in its discretion may recover the overpayment of benefits either by having a sum equal to the overpayment deducted from any future benefits payable to the individual or by having the individual pay to the department a sum equal to the overpayment.

b. (1) If the department determines that an overpayment has been made, the charge for the overpayment against the employer's account shall be removed and the account shall be credited with an amount equal to the overpayment from the unemployment compensation trust fund and this credit shall include both contributory and reimbursable employers, notwithstanding § 96.8, subsection 5. . . .

Claimant was overpaid regular unemployment insurance benefits in the amount of \$933.00 for the three weeks ending May 30, 2020, as she was not eligible for benefits after May 8, 2020.

The administrative law judge additionally concludes claimant has been overpaid Federal Pandemic Unemployment Compensation.

PL116-136, Sec. 2104 provides, in pertinent part:

(b) Provisions of Agreement

(1) Federal pandemic unemployment compensation.--Any agreement under this section shall provide that the State agency of the State will make payments of regular compensation to individuals in amounts and to the extent that they would be determined if the State law of the State were applied, with respect to any week for which the individual is (disregarding this section) otherwise entitled under the State law to receive regular compensation, as if such State law had been modified in a manner such that the amount of regular compensation (including dependents' allowances) payable for any week shall be equal to

(A) the amount determined under the State law (before the application of this paragraph), plus

(B) an additional amount of \$600 (in this section referred to as "Federal Pandemic Unemployment Compensation").

....

(f) Fraud and Overpayments

(2) Repayment.--In the case of individuals who have received amounts of Federal Pandemic Unemployment Compensation to which they were not entitled, the State shall require such individuals to repay the amounts of such Federal Pandemic Unemployment Compensation to the State agency...

Here, the claimant is disqualified from receiving regular unemployment insurance (UI) benefits. Accordingly, this also disqualifies claimant from receiving Federal Pandemic Unemployment Compensation (FPUC). In addition to the regular UI benefits claimant received, she also received an additional \$1,800.00 in FPUC benefits for the three-week period ending May 30, 2020. Claimant is required to repay those benefits.

DECISION:

The June 9, 2020, (reference 01) unemployment insurance decision is modified in favor of claimant. The claimant is eligible for benefits from March 29, 2020, through May 9, 2020, and this employer's account (116702) should be charged. Benefits after May 8, 2020, are denied until claimant is able to and available for work. Claimant was overpaid regular unemployment insurance benefits in the amount of \$933.00 and FPUC benefits in the amount of \$1,800.00 and will have to repay those benefits.
