ADMINISTRATIVE LAW JUDGE DECISION

IOWA WORKFORCE DEVELOPMENT DEPARTMENT

OC: 12/23/18

Claimant: Appellant (1)

Iowa Code § 96.3(7) – Recovery of Benefit Overpayment

#### STATEMENT OF THE CASE:

The claimant/appellant filed an appeal from the January 28, 2019 (reference 05) unemployment insurance decision that found claimant was overpaid benefits of \$23.00 for one week between December 23, 2018 and December 29, 2018. Claimant was properly notified of the hearing. A telephone hearing was held on February 19, 2019. The claimant, Koffa P. Lawson, participated personally. The administrative law judge took administrative notice of the claimant's unemployment insurance benefits records.

### **ISSUE:**

Is the claimant overpaid benefits?

#### **FINDINGS OF FACT:**

Having reviewed all of the evidence in the record, the administrative law judge finds:

The claimant received benefits of \$314.00 for one week between December 23, 2018 and December 29, 2018. The overpayment issue in this case was created by a decision that found he was only entitled to a reduced benefit payment for that one week, and that decision has been affirmed. See Appeal 19A-UI-00984-DB-T. Because the claimant was paid \$314.00 but was only entitled to \$291.00, he was overpaid \$23.00 for the one-week period.

## **REASONING AND CONCLUSIONS OF LAW:**

For the reasons that follow, the administrative law judge concludes as follows:

Iowa Code § 96.3(7) provides, in pertinent part:

- 7. Recovery of overpayment of benefits.
- a. If an individual receives benefits for which the individual is subsequently determined to be ineligible, even though the individual acts in good faith and is not otherwise at fault, the benefits shall be recovered. The department in its discretion may recover the

overpayment of benefits either by having a sum equal to the overpayment deducted from any future benefits payable to the individual or by having the individual pay to the department a sum equal to the overpayment.

b. (1) If the department determines that an overpayment has been made, the charge for the overpayment against the employer's account shall be removed and the account shall be credited with an amount equal to the overpayment from the unemployment compensation trust fund and this credit shall include both contributory and reimbursable employers, notwithstanding § 96.8, subsection 5.

The administrative law judge concludes that the claimant has been overpaid unemployment insurance benefits of \$23.00 pursuant to Iowa Code § 96.3(7) as the partial ineligibility decision that created the overpayment decision has been affirmed.

#### **DECISION:**

db/rvs
