APPEAL 22A-UI-19734-S2-T
**ADMINISTRATIVE LAW JUDGE
DECISION**

OC: 10/30/22
Claimant: Respondent (2)

Iowa Code § 96.3(5) – Benefit Duration - Business Closing
Iowa Admin. Code r. 871-24.29(1) and (2) – Business Closing

STATEMENT OF THE CASE:

Employer West Liberty Foods, LLC filed a timely appeal from the December 8, 2022 (reference 03) unemployment insurance decision that determined claimant was eligible for a recalculation of her benefit amount because she was laid off due to a business closing. The parties were properly notified of the hearing. A telephone hearing was held on January 11, 2023. Claimant did not participate. Employer participated through human resources specialist Tracy Waterman. Employer's Exhibit 1 was admitted. Official notice was taken of the administrative record.

ISSUE:

Whether claimant is eligible to have the monetary determination recalculated due to business closing.

FINDINGS OF FACT:

Having reviewed all of the evidence in the record, the administrative law judge finds: Claimant was employed by West Liberty Foods, LLC, at its Mount Pleasant location, until October 22, 2022, when she was discharged. Claimant was discharged due to a violation of a company rule involving the lock-out/tag-out procedure.

On October 28, 2022, employer notified employees at its Mount Pleasant location that it would be closing that plant location on May 7, 2023.

On November 16, 2022, an Iowa Workforce Development Field Auditor investigated the question of whether West Liberty, LLC had closed. It concluded the Mount Pleasant plant will permanently close on May 7, 2023, and a portion of staff separations would begin on December 31, 2022, with the remainder occurring on May 7, 2023.

On December 5, 2022, an Iowa Workforce Development Benefits Bureau deputy entered a reference 02 decision that held claimant had been discharged on October 22, 2022, due to a violation of a known company rule. The deadline to appeal the reference 02 decision was December 15, 2022, and the decision has not to date been reversed or modified.

REASONING AND CONCLUSIONS OF LAW:

For the reasons that follow, the administrative law judge concludes:

Iowa Code section 96.3(5)a provides:

a. Duration of benefits. The maximum total amount of benefits payable to an eligible individual during a benefit year shall not exceed the total of the wage credits accrued to the individual's account during the individual's base period, or sixteen times the individual's weekly benefit amount, whichever is the lesser. The director shall maintain a separate account for each individual who earns wages in insured work. The director shall compute wage credits for each individual by crediting the individual's account with one-third of the wages for insured work paid to the individual during the individual's base period. However, the director shall recompute wage credits for an individual who is laid off due to the individual's employer going out of business at the factory, establishment, or other premises at which the individual was last employed, by crediting the individual's account with one-half, instead of one-third, of the wages for insured work paid to the individual during the individual's base period. Benefits paid to an eligible individual shall be charged against the base period wage credits in the individual's account which have not been previously charged, in the inverse chronological order as the wages on which the wage credits are based were paid. However if the state "off" indicator is in effect and if the individual is laid off due to the individual's employer going out of business at the factory, establishment, or other premises at which the individual was last employed, the maximum benefits payable shall be extended to twenty-six times the individual's weekly benefit amount, but not to exceed the total of the wage credits accrued to the individual's account.

Iowa Admin. Code r. 871-24.29(2) provides:

(2) Going out of business means any factory, establishment, or other premises of an employer which closes its door and ceases to function as a business; however, an employer is not considered to have gone out of business at the factory, establishment, or other premises in any case in which the employer sells or otherwise transfers the business to another employer, and the successor employer continues to operate the business.

Here, a business closure will be occurring on May 7, 2023, when the Mount Pleasant plant location shuts down. The announcement to close the plant was made on October 28, 2022. Claimant was discharged from employment due to a violation of a known company rule on October 22, 2022, prior to the announcement of the business closing. Claimant was not laid off due to a business closure and is not entitled to a recalculation of the monetary determination.

The nature and date of the claimant's separation from the employment, as well as the impact of the separation on the claimant's eligibility for benefits and the employer liability for benefits, was previously adjudicated in the December 5, 2022, reference 02, decision that remains in effect at this time. See Iowa Code section 96.6(4).

DECISION:

The December 8, 2022 (reference 03) unemployment insurance decision is reversed. Claimant was not laid off due to a business closure. Recalculation of monetary determination is denied.
