(Administrative Law Judge)

(Decision Dated & Mailed)

Section 96.4-3 – Work Search

STATEMENT OF THE CASE:

The claimant filed a timely appeal from an unemployment insurance decision dated July 14, 2006, reference 02, that ruled that he was no longer temporarily unemployed. After reviewing all matters of record, the administrative law judge concludes that no additional evidence is necessary.

FINDINGS OF FACT:

Having examined all matters of record, the administrative law judge finds: The claimant filed a claim for benefits effective June 25, 2006 after being temporarily laid off by his regular

employer. The claimant remains attached to the regular employer. The Agency miscoded the claim for benefits to indicate that the claimant was required to make an active work search.

REASONING AND CONCLUSIONS OF LAW:

The question is whether the warning should be removed from the claimant's record.

Iowa Code § 96.4-3 establishes a general rule that all claimants must make an active work search each week that they request benefits. The statute, however, creates several exceptions, one of which is for individuals temporarily laid off from their regular employer. The evidence in this record persuades the administrative law judge that this claimant is such a person. The claimant is not required to make a work search. The warning shall be removed.

DECISION:

The unemployment insurance decision dated July 14, 2006, reference 02, is reversed. The warning is removed from the claimant's record.
