(Decision Dated & Mailed)

Iowa Code § 96.4(3) - Adequate Work Search

STATEMENT OF THE CASE:

The claimant filed a timely appeal from the June 21, 2005, reference 03, decision. The decision warned that the claimant may be disqualified for future weeks in which benefits are claimed and fewer than two in-person job contacts are made but did not deny benefits for that week. After due notice was issued, a hearing was held on July 14, 2005. The claimant did participate in the hearing.

FINDINGS OF FACT:

Having reviewed all of the evidence in the record, the administrative law judge finds: The claimant filed a claim for unemployment insurance benefits with an effective date of June 12, 2005. During the week ending June 18, 2005, the claimant failed to conduct at least two

in-person work searches. The claimant's testimony that she was working at her remaining part-time job that week and only made a partial search.

REASONING AND CONCLUSIONS OF LAW:

Iowa Code section 96.4-3 provides:

An unemployed individual shall be eligible to receive benefits with respect to any week only if the department finds that:

3. The individual is able to work, is available for work, and is earnestly and actively seeking work. This subsection is waived if the individual is deemed partially unemployed, while employed at the individual's regular job, as defined in section 96.19, subsection 38, paragraph "b", unnumbered paragraph 1, or temporarily unemployed as defined in section 96.19, subsection 38, paragraph "c". The work search requirements of this subsection and the disqualification requirement for failure to apply for, or to accept suitable work of section 96.5, subsection 3 are waived if the individual is not disqualified for benefits under section 96.5, subsection 1, paragraph "h".

The claimant has not sufficiently demonstrated to the satisfaction of the administrative law judge that claimant was available for work the week ending June 18, 2005 by making the minimum of two in-person work searches for that week. The claimant is obligated to make at least two in-person work searches during each week benefits are claimed. The claimant failed to do so. Accordingly, the warning was appropriate.

DECISION:

The June 21, 2005, reference 03, decision is affirmed. The decision warning the claimant to conduct at least two in-person work searches during each week benefits are claimed was appropriate.
