(Decision Dated & Mailed)

Iowa Code § 96.4(3) - Able and Available

STATEMENT OF THE CASE:

Claimant filed a timely appeal from the March 23, 2006, reference 03, decision that denied benefits. After due notice was issued, a hearing was held by telephone conference call on April 18, 2006. Claimant did participate. Employer did participate through Sandy Trimnell.

FINDINGS OF FACT:

Having reviewed all of the evidence in the record, the administrative law judge finds: Claimant is employed as a day laborer and reports to the plant everyday at 8:00 a.m. to see if there is work available for the day. The availability of work depends upon the amount of product flow and claimant is paid \$6.00 per hour in cash at the end of the day. Claimant had no other regular employment in the base period.

REASONING AND CONCLUSIONS OF LAW:

For the reasons that follow, the administrative law judge concludes that the claimant is not able to work and available for work.

Iowa Code section 96.4-3 provides:

An unemployed individual shall be eligible to receive benefits with respect to any week only if the department finds that:

3. The individual is able to work, is available for work, and is earnestly and actively seeking work. This subsection is waived if the individual is deemed partially unemployed, while employed at the individual's regular job, as defined in section 96.19, subsection 38, paragraph "b", unnumbered paragraph 1, or temporarily unemployed as defined in section 96.19, subsection 38, paragraph "c". The work search requirements of this subsection and the disqualification requirement for failure to apply for, or to accept suitable work of section 96.5, subsection 3 are waived if the individual is not disqualified for benefits under section 96.5, subsection 1, paragraph "h".

871 IAC 24.22(2)i(1)(2)(3) provides:

Benefit eligibility conditions. For an individual to be eligible to receive benefits the department must find that the individual is able to work, available for work, and earnestly and actively seeking work. The individual bears the burden of establishing that the individual is able to work, available for work, and earnestly and actively seeking work.

i. On-call workers.

(1) Substitute workers (i.e., post office clerks, railroad extra board workers), who hold themselves available for one employer and who do not accept other work, are not available for work within the meaning of the law and are not eligible for benefits.

(2) Available for work. The availability requirement is satisfied when an individual is willing, able, and ready to accept suitable work which the individual does not have good cause to refuse, that is, the individual is genuinely attached to the labor market....

(3) An individual whose wage credits earned in the base period of the claim consist exclusively of wage credits by performing on-call work, such as a banquet worker, railway worker, substitute school teacher or any other individual whose work is solely on-call work during the base period, is not considered an unemployed individual within the meaning of Iowa Code section 96.19(38)"a" and "b." An individual who is willing to accept only on-call work is not considered to be available for work.

Because claimant was hired to work only on-call or as needed, he is not considered to be unemployed within the meaning of the law. When an individual is hired to work on-call, the implied agreement is that they will only work when work is available and that work will not be regularly available. Thus, any diminution in hours is directly related to the on-call availability when work is available, as no regular hours were guaranteed. Accordingly, benefits are denied.

DECISION:

The March 23, 2006, reference 03, decision is affirmed. The claimant is not considered unemployed because of his on-call employment status. Benefits must be denied.
