(Decision Dated & Mailed)

Section 96.3-7 - Recovery of Benefit Overpayment

STATEMENT OF THE CASE:

Robert Schueler (claimant) appealed an unemployment insurance decision dated February 19, 2004, reference 04, which held that he was overpaid unemployment insurance benefits in the amount of \$98.00 as a result of a disqualification decision. After hearing notices were mailed to the parties' last-known addresses of record, a telephone hearing was held on March 15, 2004. The claimant participated in the hearing. The employer did not provide a telephone number at which a representative could be contacted, and therefore, did not participate.

FINDINGS OF FACT:

The administrative law judge, having heard and considered all of the evidence in the record, finds that: The overpayment issue in this case was created by a disqualification decision that has now been reversed. The claimant received pay for one day of a floating holiday along with vacation pay for the week ending February 7, 2004. He is eligible for benefits as of the week ending February 14, 2004.

REASONING AND CONCLUSIONS OF LAW:

Iowa Code Section 96.3-7 provides:

7. Recovery of overpayment of benefits. If an individual receives benefits for which the individual is subsequently determined to be ineligible, even though the individual acts in good faith and is not otherwise at fault, the benefits shall be recovered. The department in its discretion may recover the overpayment of benefits either by having a sum equal to the overpayment deducted from any future benefits payable to the individual or by having the individual pay to the department a sum equal to the overpayment.

If the department determines that an overpayment has been made, the charge for the overpayment against the employer's account shall be removed and the account shall be credited with an amount equal to the overpayment from the unemployment compensation trust fund and this credit shall include both contributory and reimbursable employers, notwithstanding section 96.8, subsection 5.

The administrative law judge concludes that the claimant has not been overpaid unemployment insurance benefits in the amount of \$98.00 pursuant to Iowa Code Section 96.3-7 as the disqualification decision that created the overpayment decision has now been reversed.

DECISION:

The decision of the representative dated February 19, 2004, reference 04, is reversed. The claimant was not overpaid unemployment insurance benefits in the amount of \$98.00.
