DECISION

UNEMPLOYMENT BENEFITS ARE DENIED

The Claimant appealed this case to the Employment Appeal Board. The members of the Employment Appeal Board reviewed the entire record. The Appeal Board finds the administrative law judge's decision is correct. The administrative law judge's Findings of Fact and Reasoning and Conclusions of Law are adopted by the Board as its own. The administrative law judge's decision is **AFFIRMED**.

Note to Claimant: This decision determines you are not eligible for regular unemployment insurance benefits. This decision will become final unless an application for rehearing, or a petition to district court is filed as set out above. In addition, individuals who do not qualify for regular unemployment insurance benefits due to disqualifying separations may still qualify for Pandemic Unemployment Assistance (PUA). You will need to apply for PUA to determine your eligibility under the program. If you do not already have a PUA
