Iowa Code § 96.4(3) – Able and Available  
Iowa Admin. Code r. 871-24.2(1)e – Notice to Report  
Iowa Admin. Code r. 871-24.23(11) – Failure to Report

**STATEMENT OF THE CASE:**

The claimant filed a timely appeal from the July 12, 2016, (reference 03) decision that denied benefits because of a failure to report as directed. After due notice was issued, a telephone conference hearing was set for August 4, 2016. Claimant participated. No hearing was held as there was sufficient evidence in the appeal letter and administrative record to resolve the matter without testimony.

**ISSUE:**

Did the claimant fail to report as directed or offer a good cause reason for failure to do so?

**FINDINGS OF FACT:**

Having heard the testimony and having examined the evidence in the record, the administrative law judge finds: On or about June 27, 2016, a notice was mailed to the claimant to be available for a call from IWD about availability for work the week ending June 25, 2016. He did not report because he missed the call. The claimant filed a weekly voice response claim and mistakenly pushed the button indicating he was not available for work. Claimant did conduct at least two work searches for the week.

**REASONING AND CONCLUSIONS OF LAW:**

For the reasons that follow, the administrative law judge concludes the underlying issue was the result of a reporting error, and the claimant has established a good cause reason for having failed to report as directed.

Iowa Code § 96.4(3) provides:

An unemployed individual shall be eligible to receive benefits with respect to any week only if the department finds that:

3. The individual is able to work, is available for work, and is earnestly and actively seeking work. This subsection is waived if the individual is deemed partially

unemployed, while employed at the individual's regular job, as defined in section 96.19, subsection 38, paragraph "b", unnumbered paragraph (1), or temporarily unemployed as defined in section 96.19, subsection 38, paragraph "c". The work search requirements of this subsection and the disqualification requirement for failure to apply for, or to accept suitable work of section 96.5, subsection 3 are waived if the individual is not disqualified for benefits under section 96.5, subsection 1, paragraph "h".

Iowa Admin. Code r. 871-24.2(1)e provides:

e. In order to maintain continuing eligibility for benefits during any continuous period of unemployment, an individual shall report as directed to do so by an authorized representative of the department. If the individual has moved to another locality, the individual may register and report in person at a workforce development center at the time previously specified for the reporting.

The method of reporting shall be weekly if a voice response continued claim is filed, unless otherwise directed by an authorized representative of the department. An individual who files a voice response continued claim will have the benefit payment automatically deposited weekly in the individual's account at a financial institution or be paid by the mailing of a warrant on a biweekly basis.

In order for an individual to receive payment by direct deposit, the individual must provide the department with the appropriate bank routing code number and a checking or savings account number.

The department retains the ultimate authority to choose the method of reporting and payment.

Iowa Admin. Code r. 871-24.23(11) provides:

Availability disqualifications. The following are reasons for a claimant being disqualified for being unavailable for work.

(11) Failure to report as directed to workforce development in response to the notice which was mailed to the claimant will result in the claimant being deemed not to meet the availability requirements.

Since he mistakenly missed the call from the department and because the issue was the result of pushing the wrong button when reporting, claimant has established a good cause reason for failing to report as directed, benefits are allowed.

**DECISION:**

The July 12, 2016, (reference 03) unemployment insurance decision is reversed. The claimant has established a good cause reason for failing to report as directed. The underlying issue was the result of a reporting error. Benefits are allowed effective July 3, 2016, provided he is otherwise eligible.
