APPEAL 21A-UI-22502-DZ-T

**ADMINISTRATIVE LAW JUDGE
DECISION**

OC: 04/12/20
Claimant: Appellant (1)

Iowa Code § 96.19(38) – Total and Partial Unemployment
Iowa Admin. Code r. 871-24.23(26) – Same Hours and Wages
Iowa Code § 96.4(3) – Able to and Available for Work
Iowa Code § 96.7(2)a(2) – Same Base Period Employment
Iowa Code §96.6(2) – Timely Appeal

STATEMENT OF THE CASE:

Chris W Juni, the claimant/appellant, filed an appeal from the December 22, 2020, (reference 02) unemployment insurance (UI) decision that denied REGULAR UI benefits as of April 12, 2020 because he was still employed in his job. The parties were properly notified about the hearing. A telephone hearing was held on December 3, 2021. Mr. Juni participated and testified. The employer participated through Stacy Koehler and James Mulholland. The administrative law judge took official notice of the administrative record. Claimant's Exhibit A was admitted as evidence.

ISSUES:

Is Mr. Juni's appeal filed on time?
Is Mr. Juni able to and available for work?
Is Mr. Juni temporarily or partially unemployed?
If so, is the employer's account subject to charge?

FINDINGS OF FACT:

Having reviewed the evidence in the record, the administrative law judge finds: The Unemployment Insurance Decision was mailed to Mr. Juni at the correct address on December 22, 2020. The decision states that it becomes final unless an appeal is postmarked or received by Iowa Workforce Development (IWD) Appeals Section by January 1, 2021. If the date falls on a Saturday, Sunday, or legal holiday, the appeal period is extended to the next working day. Friday, January 1, 2021 was a legal holiday; therefore, the deadline was extended to Monday, January 4, 2021.

Mr. Juni received the decision in the mail. Mr. Juni had previously received a decision from IWD telling that he was eligible for benefits in connection with a different employer. Mr. Juni did not appeal the reference 02 decision.

IWD issued three additional decisions finding Mr. Juni was overpaid REGULAR UI benefits, Federal Pandemic Unemployment Compensation (FPUC) benefits, and Lost Wage Assistance Payments (LWAP) benefits. Mr. Juni received at least one of those decisions. He called IWD about a payment plan. The representative told Mr. Juni that he could appeal and then get on a payment plan. Mr. Juni filed an appeal online on October 11, 2021. The appeal was received by Iowa Workforce Development on October 11, 2021.

REASONING AND CONCLUSIONS OF LAW:

For the reasons that follow, the administrative law judge concludes Mr. Juni's appeal of the reference 02 decision was not filed on time.

Iowa Code § 96.6(2) provides, in pertinent part: "[u]nless the claimant or other interested party, after notification or within ten calendar days after notification was mailed to the claimant's last known address, files an appeal from the decision, the decision is final and benefits shall be paid or denied in accordance with the decision."

Iowa Admin. Code r. 871-24.35(1) provides:

1. Except as otherwise provided by statute or by division rule, any payment, appeal, application, request, notice, objection, petition, report or other information or document submitted to the division shall be considered received by and filed with the division:

(a) If transmitted via the United States Postal Service on the date it is mailed as shown by the postmark, or in the absence of a postmark the postage meter mark of the envelope in which it is received; or if not postmarked or postage meter marked or if the mark is illegible, on the date entered on the document as the date of completion.

(b) If transmitted via the State Identification Data Exchange System (SIDES), maintained by the United States Department of Labor, on the date it was submitted to SIDES.

(c) If transmitted by any means other than [United States Postal Service or the State Identification Data Exchange System (SIDES)], on the date it is received by the division.

Iowa Admin. Code r. 871-24.35(2) provides:

2. The submission of any payment, appeal, application, request, notice, objection, petition, report or other information or document not within the specified statutory or regulatory period shall be considered timely if it is established to the satisfaction of the division that the delay in submission was due to division error or misinformation or to delay or other action of the United States postal service.

The Iowa Supreme Court has declared that there is a mandatory duty to file appeals from representatives' decisions within the time allotted by statute, and that the administrative law judge has no authority to change the decision of a representative if a timely appeal is not filed. *Franklin v. IDJS*, 277 N.W.2d 877, 881 (Iowa 1979). Compliance with appeal notice provisions is jurisdictional unless the facts of a case show that the notice was invalid. *Beardslee v. IDJS*,

276 N.W.2d 373, 377 (Iowa 1979); see also *In re Appeal of Elliott* 319 N.W.2d 244, 247 (Iowa 1982).

Mr. Juni received the decision in the mail before the deadline and, therefore, could have filed an appeal prior to the appeal deadline. The notice provision of the decision was valid. Mr. Juni's delay in filing his appeal was not due to an error or misinformation from the Department or due to delay or other action of the United States Postal Service. No other good cause reason has been established for the delay in filing his appeal before the deadline. Mr. Juni's appeal was not filed on time and the administrative law judge lacks jurisdiction (authority) to decide the other issues in this matter.

DECISION:

Mr. Juni's appeal of the reference 02 decision was not filed on time. The December 22, 2020 (reference 02) decision is affirmed.
