DECISION

UNEMPLOYMENT BENEFITS ARE DENIED

The Claimant appealed this case to the Employment Appeal Board. Two members of the Employment Appeal Board reviewed the entire record. With the following modification, the majority members of the Appeal Board find the administrative law judge's decision is correct. The administrative law judge's Findings of Fact and Reasoning and Conclusions of Law are adopted by the Board as its own. The administrative law judge's decision is **AFFIRMED** with the following **MODIFICATION**:

The Employment Appeal Board would make the following modification to the Administrative Law Judge's "Decision" portion of the opinion found at page 4, to read as follows:

DECISION: The September 26, 2023 (reference 01) unemployment insurance decision is affirmed in effect, on other grounds. Claimant is not able to and available for work. Benefits are denied until such time as the Claimant supplies information showing that Claimant is able to work in some

reasonably suitable, comparable, gainful, full-time endeavor, other than self-employment, which is generally available in the labor market in which the Claimant then resides.
