REASONING AND CONCLUSIONS OF LAW:

Iowa Code Section 96.3-7 provides:

7. Recovery of overpayment of benefits. If an individual receives benefits for which the individual is subsequently determined to be ineligible, even though the individual acts in good faith and is not otherwise at fault, the benefits shall be recovered. The department in its discretion may recover the overpayment of benefits either by having a sum equal to the overpayment deducted from any future benefits payable to the individual or by having the individual pay to the department a sum equal to the overpayment.

If the department determines that an overpayment has been made, the charge for the overpayment against the employer's account shall be removed and the account shall be credited with an amount equal to the overpayment from the unemployment compensation trust fund and this credit shall include both contributory and reimbursable employers, notwithstanding section 96.8, subsection 5.

The administrative law judge concludes that the claimant, Curt J. Kass, is overpaid unemployment insurance benefits in the amount of \$235.00, pursuant to Iowa Code Section 96.3-7.
