871 IAC 26.8(1) - Withdrawal of Appeal

STATEMENT OF THE CASE:

The claimant appealed a representative's December 6, 2010 determination (reference 04) that denied her request for training extension benefits. A hearing was scheduled on January 21, 2010. On January 7, 2010, the claimant contacted the Appeals Section and withdrew her appeal. Based on the claimant's withdrawal request, the administrative record, and the law, the administrative law judge enters the following findings of fact, reasoning and conclusions of law, and decision.

FINDINGS OF FACT:

The claimant withdrew her appeal from a December 6, 2010 determination because she was receiving Emergency Unemployment Compensation benefits and could draw Emergency Unemployment Compensation benefits until she completed her training. The claimant's January 7 withdrawal request was tape-recorded.

REASONING AND CONCLUSIONS OF LAW:

871 IAC 26.8(1) provides:

- (1) An appeal may be withdrawn at any time prior to the issuance of a decision upon the request of the appellant and with the approval of the presiding officer to whom the case is assigned. Requests for withdrawal may be made in writing or orally, provided the oral request is tape-recorded by the presiding officer.

The claimant's request to withdraw her appeal is approved.

DECISION:

The representative's December 6, 2010 determination (reference 04) is affirmed. The claimant's withdrawal request is approved. The determination that denied her request to receive training extension benefits remains in effect.
