APPEAL NO. 21A-UI-09495-B2T

**ADMINISTRATIVE LAW JUDGE
DECISION**

OC: 12/27/20
Claimant: Appellant (2)

Iowa Admin. Code r. 871-24.23(26) – Part-Time Worker – Same Wages and Hours

Iowa Code § 96.4-3 – Able and Available

Iowa Code § 96.7(2)A(2) – Partial Benefits

Iowa Code § 96.19(38) – Total and Partial Unemployment

STATEMENT OF THE CASE:

Claimant filed an appeal from a decision of a representative dated March 26, 2021, reference 01, which held claimant not able and available for work. After due notice, a hearing was scheduled for and held on June 21, 2021. Claimant participated personally. Employer participated by Jessica Wade.

ISSUES:

Whether claimant is still employed at the same hours and wages?

Whether claimant is eligible to receive partial benefits?

Whether claimant is able and available for work?

FINDINGS OF FACT:

The claimant currently works for The University of Iowa, a base period employer, full time under the same terms and conditions as contemplated in the original contract of hire. Claimant was furloughed from his regular, full time position for the week ending January 2, 2021. At the time claimant was furloughed, he remained able and available to work if there was work for him.

REASONING AND CONCLUSIONS OF LAW:

For the reasons that follow, the administrative law judge concludes the claimant was temporarily unemployed for the week ending January 2, 2021.

Iowa Code section 96.4(3) provides:

An unemployed individual shall be eligible to receive benefits with respect to any week only if the department finds that:

3. The individual is able to work, is available for work, and is earnestly and actively seeking work. This subsection is waived if the individual is deemed partially unemployed, while employed at the individual's regular job, as defined in section 96.19, subsection 38, paragraph "b", unnumbered paragraph (1), or temporarily unemployed as defined in section 96.19, subsection 38, paragraph "c". The work search requirements of this subsection and the disqualification requirement for failure to apply for, or to accept suitable work of section 96.5, subsection 3 are waived if the individual is not disqualified for benefits under section 96.5, subsection 1, paragraph "h".

Iowa Code section 96.19(38) provides:

"Total and partial unemployment".

a. An individual shall be deemed "totally unemployed" in any week with respect to which no wages are payable to the individual and during which the individual performs no services.

b. An individual shall be deemed partially unemployed in any week in which either of the following apply:

(1) While employed at the individual's then regular job, the individual works less than the regular full-time week and in which the individual earns less than the individual's weekly benefit amount plus fifteen dollars.

(2) The individual, having been separated from the individual's regular job, earns at odd jobs less than the individual's weekly benefit amount plus fifteen dollars.

c. An individual shall be deemed temporarily unemployed if for a period, verified by the department, not to exceed four consecutive weeks, the individual is unemployed due to a plant shutdown, vacation, inventory, lack of work or emergency from the individual's regular job or trade in which the individual worked full-time and will again work full-time, if the individual's employment, although temporarily suspended, has not been terminated.

Because the claimant was unemployed for the week ending January 2, 2021, claimant is considered temporarily unemployed for that period. Benefits are allowed.

DECISION:

The March 26, 2021, reference 01, decision is reversed. The claimant was temporarily unemployed for the week ending January 2, 2021 and benefits are allowed, provided claimant is otherwise eligible.
