APPEAL NO. 21A-UI-14113-B2-T

**ADMINISTRATIVE LAW JUDGE
DECISION**

OC: 03/15/20
Claimant: Appellant (1)

Iowa Code § 96.4-3 – Able and Available
Iowa Code § 96.7(2)A(2) – Partial Benefits
Iowa Code § 96.19(38) – Total and Partial Unemployment
Iowa Code § 96.4-5 – Reasonable Assurance
Iowa Admin. Code r. 871-24.52(10) – Substitute Teacher
871 IA Admin. Code – 24.22(2)(I) – On Call Worker

STATEMENT OF THE CASE:

Claimant filed an appeal from a decision of a representative dated June 9, 2021, reference 03, which held claimant not able and available for work. After due notice, a hearing was scheduled for and held on August 31, 2021. Claimant participated personally. Employer participated by Jeri Moritz.

ISSUES:

Whether claimant is still employed at the same hours and wages?

Whether claimant is eligible to receive partial benefits?

Whether claimant is able and available for work?

Whether employer gave claimant reasonable assurance of continued employment for the upcoming academic year?

Is claimant a substitute teacher?

FINDINGS OF FACT:

The claimant currently works for CCSD, a base period employer, part time as a substitute on-call para professional under the same terms and conditions as contemplated in the original contract of hire. The terms and conditions included provisions indicating claimant would not have guaranteed hours of work, and that there would not be hours offered during holidays, breaks, and summer vacations.

Claimant was not offered employment over the summer of 2020 beginning on or around June 7, 2020 as the school was not in session.

REASONING AND CONCLUSIONS OF LAW:

For the reasons that follow, the administrative law judge concludes the claimant is not partially or temporarily unemployed.

Iowa Code section 96.4(3) provides:

An unemployed individual shall be eligible to receive benefits with respect to any week only if the department finds that:

3. The individual is able to work, is available for work, and is earnestly and actively seeking work. This subsection is waived if the individual is deemed partially unemployed, while employed at the individual's regular job, as defined in section 96.19, subsection 38, paragraph "b", unnumbered paragraph (1), or temporarily unemployed as defined in section 96.19, subsection 38, paragraph "c". The work search requirements of this subsection and the disqualification requirement for failure to apply for, or to accept suitable work of section 96.5, subsection 3 are waived if the individual is not disqualified for benefits under section 96.5, subsection 1, paragraph "h".

Iowa Code section 96.19(38) provides:

"Total and partial unemployment".

a. An individual shall be deemed "totally unemployed" in any week with respect to which no wages are payable to the individual and during which the individual performs no services.

b. An individual shall be deemed partially unemployed in any week in which either of the following apply:

(1) While employed at the individual's then regular job, the individual works less than the regular full-time week and in which the individual earns less than the individual's weekly benefit amount plus fifteen dollars.

(2) The individual, having been separated from the individual's regular job, earns at odd jobs less than the individual's weekly benefit amount plus fifteen dollars.

c. An individual shall be deemed temporarily unemployed if for a period, verified by the department, not to exceed four consecutive weeks, the individual is unemployed due to a plant shutdown, vacation, inventory, lack of work or emergency from the individual's regular job or trade in which the individual worked full-time and will again work full-time, if the individual's employment, although temporarily suspended, has not been terminated.

Iowa Code section 96.4(5)b provides:

An unemployed individual shall be eligible to receive benefits with respect to any week only if the department finds that:

5. Benefits based on service in employment in a nonprofit organization or government entity, defined in section 96.19, subsection 18, are payable in the same amount, on the same terms and subject to the same conditions as compensation payable on the same basis of other service subject to this chapter, except that:

b. Benefits based on service in any other capacity for an educational institution including service in or provided to or on behalf of an educational institution while in the employ of an educational service agency, a government entity, or a nonprofit organization, shall not be paid to an individual for any week of unemployment which begins during the period between two successive academic years or terms, if the individual performs the services in the first of such academic years or terms and has reasonable assurance that the individual will perform services for the second of such academic years or terms. If benefits are denied to an individual for any week as a result of this paragraph and the individual is not offered an opportunity to perform the services for an educational institution for the second of such academic years or terms, the individual is entitled to retroactive payments of benefits for each week for which the individual filed a timely claim for benefits and for which benefits were denied solely by reason of this paragraph.

Iowa Admin. Code r. 871-24.51(6) provides:

School definitions.

(6) Reasonable assurance, as applicable to an employee of an educational institution, means a written, verbal, or implied agreement that the employee will perform services in the same or similar capacity, which is not substantially less in economic terms and conditions, during the ensuing academic year or term. It need not be a formal written contract. To constitute a reasonable assurance of reemployment for the ensuing academic year or term, an individual must be notified of such reemployment.

Iowa Admin. Code r. 871-24.22(2)i(1) provides:

Benefit eligibility conditions. For an individual to be eligible to receive benefits the department must find that the individual is able to work, available for work, and earnestly and actively seeking work. The individual bears the burden of establishing that the individual is able to work, available for work, and earnestly and actively seeking work.

i. On-call workers.

(1) Substitute workers (i.e., post office clerks, railroad extra board workers), who hold themselves available for one employer and who do not accept other work, are not available for work within the meaning of the law and are not eligible for benefits.

Because the claimant is an on-call para professional with no steady hours worked, claimant is not considered partially unemployed. Benefits are denied for the period employer was not offering classes over the summer beginning on June 7, 2020.

Note to Claimant: Even though claimant is not eligible for regular unemployment insurance benefits under state law, she may be eligible for federally funded unemployment insurance benefits under the Coronavirus Aid, Relief, and Economic Security Act ("Cares Act"), Public Law 116-136. Section 2102 of the CARES Act creates a new temporary federal program called Pandemic Unemployment Assistance (PUA) that in general provides up to 39 weeks of

unemployment benefits. **You will need to apply for PUA to determine your eligibility under the program.** Additional information on how to apply for PUA can be found at <https://www.iowaworkforcedevelopment.gov/pua-information>.

DECISION:

The June 9, 2021, reference 03, decision is affirmed. The claimant is not partially unemployed and benefits are denied as of June 7, 2020.
