DECISION

UNEMPLOYMENT BENEFITS ARE ALLOWED IF OTHERWISE ELIGIBLE

The Employer appealed this case to the Employment Appeal Board. The members of the Employment Appeal Board reviewed the entire record. The Appeal Board, one member dissenting, finds the administrative law judge's decision is correct. The administrative law judge's Findings of Fact and Reasoning and Conclusions of Law are adopted by the Board as its own. The administrative law judge's decision is **AFFIRMED**.

DISSENTING OPINION OF KIM D. SCHMETT:

I respectfully dissent from the majority decision of the Employment Appeal Board; I would reverse the administrative law judge's decision. I would find the Claimant's testimony that she didn't receive a signed copy of the Employer's notification policy at the start of her employment not credible. She had knowledge of the notification requirements and failed to comply. For this reason, I would consider her separation to be a voluntary quit without good cause attributable to the Employer for which benefits should be denied until such time she has worked in and was paid wages for insured work equal to ten times her weekly benefit amount, provided she is otherwise eligible. See, Iowa Code section 96.5(1)"g".
