DECISION**

**OC: 02/04/24
Claimant: Appellant (4)**

Iowa Code section 96.5(1)a – Voluntary Quit
Iowa Admin. Code r. 871-24.28(5)- Quit for Other Employment

STATEMENT OF THE CASE:

The claimant, Keegan R. Malone, filed an appeal from the March 11, 2024, (reference 02) unemployment insurance decision that denied benefits effective November 17, 2023, based upon the conclusion he was discharged for excessive absenteeism. The parties were properly notified of the hearing. A telephone hearing was held on April 9, 2024, at 8:00 a.m. The claimant participated. The employer participated through Gaylen Graveman, a salary coach.

ISSUE:

Whether the claimant's separation from this employment is disqualifying?

FINDINGS OF FACT:

Having reviewed all of the evidence in the record, the administrative law judge finds:

The claimant was employed full-time as a service technician from January 10, 2023, until this employment ended on November 15, 2023, when he quit. The claimant quit to take a position at Walgreen Company. The claimant started working for that employer on November 20, 2023. He had the offer on hand when he quit.

REASONING AND CONCLUSIONS OF LAW:

The administrative law judge concludes the claimant voluntarily left his employment to accept employment elsewhere.

Iowa Code section 96.5(1)a provides:

An individual shall be disqualified for benefits, regardless of the source of the individual's wage credits:

1. Voluntary quitting. If the individual has left work voluntarily without good cause attributable to the individual's employer, if so found by the department. But the individual shall not be disqualified if the department finds that:

a. The individual left employment in good faith for the sole purpose of accepting other or better employment, which the individual did accept, and the individual performed services in the new employment. Benefits relating to wage credits earned with the employer that the individual has left shall be charged to the unemployment compensation fund. This paragraph applies to both contributory and reimbursable employers, notwithstanding section 96.8, subsection 5.

Iowa Admin. Code r. 871-24.28(5) provides:

Voluntary quit requalifications and previously adjudicated voluntary quit issues.

(5) The claimant shall be eligible for benefits even though the claimant voluntarily quit if the claimant left for the sole purpose of accepting an offer of other or better employment, which the claimant did accept, and from which the claimant is separated, before or after having started the new employment. The employment does not have to be covered employment and does not include self-employment.

Even though the separation was without good cause attributable to the employer and would, standing alone, disqualify the claimant from receiving benefits, the claimant did leave to accept other employment and did perform services for the subsequent employer. Accordingly, benefits are allowed and the account of the employer shall not be charged.

DECISION:

The March 11, 2024, (reference 02), decision is MODIFIED IN FAVOR OF THE APPELLANT. The claimant voluntarily left his employment to accept other employment. Benefits are allowed, provided the claimant is otherwise eligible. The account of the employer (account number 007924-000) shall not be charged. The benefits will be paid by the Unemployment Compensation Fund.
