Iowa Code § 96.3(7) - Recovery of Benefit Overpayment

**STATEMENT OF THE CASE:**

On April 1, 2021, Abdirahman Hashi (claimant/appellant) appealed the March 22, 2021 (reference 08) decision that concluded the claimant was overpaid Pandemic Emergency Unemployment Compensation (PEUC) in the amount of \$1,790.00 for the five-week period between July 12, 2020 and August 15, 2020. This determination was based on a decision dated October 28, 2020 (reference 01) that found claimant ineligible for benefits.

A telephone hearing was held on June 17, 2021, pursuant to due notice. Claimant participated personally and with the assistance of a Somali interpreter. The administrative law judge took official notice of the administrative record.

**ISSUE:**

Was the claimant overpaid PEUC?

**FINDINGS OF FACT:**

Having reviewed all of the evidence in the record, the administrative law judge finds:

The unemployment insurance system shows claimant has received PEUC in the amount of \$358.00 for a total of five weeks, from the benefit week ending July 18, 2020 and continuing through the benefit week ending August 15, 2020. The total amount of PEUC paid to date is \$1,790.00.

Claimant was subsequently determined to be ineligible for benefits during that period in a decision dated October 28, 2020. That decision has not been appealed further and remains in force. See 20A-UI-10866-DG-T.

**REASONING AND CONCLUSIONS OF LAW:**

For the reasons set forth below, the March 22, 2021 (reference 08) decision that concluded the claimant was overpaid Pandemic Emergency Unemployment Compensation (PEUC) for the five-week period between July 12, 2020 and August 15, 2020 is AFFIRMED.

Iowa Code section 96.3(7) provides, in pertinent part:

7. Recovery of overpayment of benefits.

a. If an individual receives benefits for which the individual is subsequently determined to be ineligible, even though the individual acts in good faith and is not otherwise at fault, the benefits shall be recovered. The department in its discretion may recover the overpayment of benefits either by having a sum equal to the overpayment deducted from any future benefits payable to the individual or by having the individual pay to the department a sum equal to the overpayment.

b. (1) (a) If the department determines that an overpayment has been made, the charge for the overpayment against the employer's account shall be removed and the account shall be credited with an amount equal to the overpayment from the unemployment compensation trust fund and this credit shall include both contributory and reimbursable employers, notwithstanding section 96.8, subsection 5.

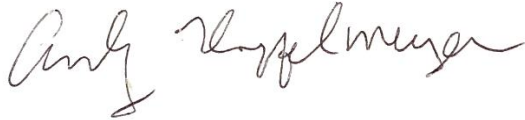

The unemployment insurance system shows claimant has received PEUC in the amount of \$358.00 for a total of five weeks, from the benefit week ending July 18, 2020 and continuing through the benefit week ending August 15, 2020. The total amount of PEUC paid to date is \$1,790.00.

Claimant was subsequently determined to be ineligible for benefits during that period in a decision dated October 28, 2020. That decision has not been appealed further and remains in force. See 20A-UI-10866-DG-T.

Because claimant received PEUC in the amount of \$1,790.00 for which he was subsequently determined to be ineligible, he has been overpaid PEUC in that amount.

**DECISION:**

The March 22, 2021 (reference 08) decision that concluded the claimant was overpaid Pandemic Emergency Unemployment Compensation (PEUC) for the five-week period between July 12, 2020 and August 15, 2020 is AFFIRMED.
