**SECTION:** 17A.12-3, 26.14-7

**DECISION**

The Claimant, initially, appealed this matter to the Employment Appeal Board. In the meantime, he also requested a rehearing of the administrative law judge's decision based on the Claimant's inability to access the system on two occasions due to no fault of his own. As a result, this matter has been reset for an in-person hearing before the administrative law judge. Thus, the Claimant's appeal before the Board is withdrawn, and the matter is dismissed without prejudice.
