**ADMINISTRATIVE LAW JUDGE
DECISION**

**IOWA WORKFORCE DEVELOPMENT
DEPARTMENT**

OC: 01/08/23
Claimant: Appellant (1)

Iowa Code § 96.4(3) – Ability to and Availability for Work
Iowa Admin. Code r. 871-24.22(2) – Able & Available - Benefits Eligibility Conditions

STATEMENT OF THE CASE:

Claimant filed an appeal from the February 1, 2022 (reference 02) unemployment insurance decision that she was not able to and available for work as of January 29, 2023. The parties were properly notified of the hearing. A telephone hearing was held on February 20, 2023, at 10:00 a.m. Claimant, Sheryl Claar, participated personally. No exhibits were admitted. Official notice was taken of the administrative record.

ISSUE:

Whether the claimant was able to and available for work.

FINDINGS OF FACT:

Having reviewed the evidence in the record, the administrative law judge finds: The claimant began working for First Students as a van driver beginning February 2021. The claimant worked 35-40 hours per week. On March 14, 2022 the claimant was involved in a car accident while at work. The claimant was seated at the train tracks and was hit from behind. The claimant was under doctor's care and is scheduled for surgery on or about March 1, 2023.

REASONING AND CONCLUSIONS OF LAW:

For the reasons that follow, the administrative law judge concludes that the claimant not able to work and available for work for the period in question.

Iowa Code § 96.4(3) provides:

An unemployed individual shall be eligible to receive benefits with respect to any week only if the department finds that:

3. The individual is able to work, is available for work, and is earnestly and actively seeking work. This subsection is waived if the individual is deemed partially unemployed, while employed at the individual's regular job, as defined in section 96.1A, subsection 37", paragraph "b", subparagraph (1), or temporarily unemployed as defined in section 96.1A, subsection 37, paragraph "c". The

work search requirements of this subsection and the disqualification requirement for failure to apply for, or to accept suitable work of section 96.5, subsection 3 are waived if the individual is not disqualified for benefits under section 96.5, subsection 1, paragraph "h".

Iowa Admin. Code r. 871-24.22(2) provides:

Benefits eligibility conditions. For an individual to be eligible to receive benefits the department must find that the individual is able to work, available for work, and earnestly and actively seeking work. The individual bears the burden of establishing that the individual is able to work, available for work, and earnestly and actively seeking work.

(2) Available for work. The availability requirement is satisfied when an individual is willing, able, and ready to accept suitable work which the individual does not have good cause to refuse, that is, the individual is genuinely attached to the labor market. Since, under unemployment insurance laws, it is the availability of an individual that is required to be tested, the labor market must be described in terms of the individual. A labor market for an individual means a market for the type of service which the individual offers in the geographical area in which the individual offers the service. Market in that sense does not mean that job vacancies must exist; the purpose of unemployment insurance is to compensate for lack of job vacancies. It means only that the type of services which an individual is offering is generally performed in the geographical area in which the individual is offering the services.

Iowa Admin. Code r. 871-24.23(35) provides:

Availability disqualifications. The following are reasons for a claimant being disqualified for being unavailable for work.

(35) Where the claimant is not able to work and is under the care of a medical practitioner and has not been released as being able to work.

Here, the claimant has a surgery scheduled March 1, 2023 and is still under the care of a medical provider.

DECISION:

The February 1, 2023, (reference 02) unemployment insurance decision is affirmed. The claimant is not able to work and available for work due to the surgery scheduled for March 1, 2023. Benefits are denied.
