**OC: 01/04/09**  
**Claimant: Appellant (1)**

Section 96.19 – Localization of Services

**STATEMENT OF THE CASE:**

Greg Washington (claimant) appealed a representative's July 22, 2009 decision (reference 01) that denied his request to have wages from Taske Force (employer) added to his unemployment insurance benefits. After hearing notices were mailed to the parties' last-known addresses of record, a telephone hearing was scheduled for August 12, 2009. The claimant participated personally. The employer participated by Tricia Merydith, Manager.

**ISSUE:**

The issue is whether the claimant's wages from this employer may be added to his Iowa claim.

**FINDINGS OF FACT:**

The administrative law judge, having heard the testimony and considered all of the evidence in the record, finds that: The claimant performed services in Missouri for the employer

**REASONING AND CONCLUSIONS OF LAW:**

For the reasons that follow the administrative law judge concludes the claimant's wages cannot be added to his unemployment insurance claim.

Iowa Code section 96.19-18-b provides:

18. "employment".

b. The term "employment" shall include an individual's entire service, performed within or both within and without this state if:

(1) The service is localized in this state

The claimant performed all his work in the state of Missouri. The claimant's wages cannot be added to his unemployment insurance claim in Iowa.

**DECISION:**

The representative's July 22, 2009 decision (reference 01) is affirmed. The claimant's request to add wages from this employer to his unemployment insurance claim in Iowa is denied.
