871 IAC 26.8(1) - Withdrawal of Appeal

**STATEMENT OF THE CASE:**

An appeal was filed from an unemployment insurance decision dated April 24, 2012, reference 01. A hearing was scheduled for May 29, 2012. Prior to the hearing being held, the appellant requested the appeal be withdrawn.

**FINDINGS OF FACT:**

A request has been made by the appealing party to withdraw the appeal. The request was submitted in writing. The appeal was withdrawn because the claimant was returning to work for the employer and had not received any benefits.

**REASONING AND CONCLUSIONS OF LAW:**

871 IAC 26.8(1) provides:

(1) An appeal may be withdrawn at any time prior to the issuance of a decision upon the request of the appellant and with the approval of the presiding officer to whom the case is assigned. Requests for withdrawal may be made in writing or orally, provided the oral request is tape-recorded by the presiding officer.

The administrative law judge has reviewed the records and files herein and concludes that the request of the appealing party to withdraw the appeal should be approved.

**DECISION:**

The unemployment insurance decision dated April 24, 2012, reference 01, is affirmed. The decision stating the claimant was not disqualified based on the reason for her separation from work remains in effect. She remains ineligible for benefits based on her being unable to work.
