871 IAC 26.8(1) - Withdrawal of Appeal

STATEMENT OF THE CASE:

The claimant filed a timely appeal from a representative's decision dated November 2, 2011, reference 01. A hearing was scheduled for January 10, 2012. Prior to the hearing being held, the appellant requested the appeal be withdrawn.

ISSUE:

The issue is whether the appeal should be withdrawn.

FINDINGS OF FACT:

The administrative law judge, having considered the evidence in the record, finds that: A request has been made by the appealing party to withdraw the appeal. The request has been submitted verbally and has been recorded.

REASONING AND CONCLUSIONS OF LAW:

871 IAC 26.8(1) provides:

- (1) An appeal may be withdrawn at any time prior to the issuance of a decision upon the request of the appellant and with the approval of the presiding officer to whom the case is assigned. Requests for withdrawal may be made in writing or orally, provided the oral request is tape-recorded by the presiding officer.

The administrative law judge has reviewed the records and files herein and concludes that the request of the appealing party to withdraw the appeal should be approved.

DECISION:

The decision of the representative dated November 2, 2011, reference 01, is affirmed. The request of the appealing party to withdraw the appeal is approved, and the decision of the representative shall stand and remain in full force and effect. Benefits are denied at this time because the claimant is not able and available for work as that term is defined by Iowa law.
