**ADMINISTRATIVE LAW JUDGE
DECISION**

**IOWA WORKFORCE
DEVELOPMENT DEPARTMENT**

OC: 11/02/08
Claimant: Appellant (1)

Iowa Code § 96.3(7) - Recovery of Benefit Overpayment

STATEMENT OF THE CASE:

The claimant appealed the February 19, 2009, reference 04, decision that concluded the claimant was overpaid unemployment insurance benefits in the amount of \$1,787.00 for the period ending January 3, 2009 as a result of a decision issued January 13, 2009. A telephone hearing was scheduled for and held on March 12, 2009, pursuant to due notice. The claimant participated.

ISSUE:

The issue is whether claimant was overpaid benefits.

FINDINGS OF FACT:

Having reviewed all of the evidence in the record, the administrative law judge finds: The overpayment issue in this case was created by a decision issued January 13 2009. The Employment Appeal Board on February 25, 2009 remanded the matter back for another hearing due to the fact that the digital recording of the hearing was not available. The remand hearing is set for March 26, 2009. The Employment Appeal Board did not vacate the decision of the Administrative Law Judge.

REASONING AND CONCLUSIONS OF LAW:

The administrative law judge concludes claimant has been overpaid benefits.

Iowa Code § 96.3-7, as amended in 2008, provides:

7. Recovery of overpayment of benefits.

a. If an individual receives benefits for which the individual is subsequently determined to be ineligible, even though the individual acts in good faith and is not otherwise at fault, the benefits shall be recovered. The department in its discretion may recover the overpayment of benefits either by having a sum equal to the overpayment deducted from

any future benefits payable to the individual or by having the individual pay to the department a sum equal to the overpayment.

b. (1) If the department determines that an overpayment has been made, the charge for the overpayment against the employer's account shall be removed and the account shall be credited with an amount equal to the overpayment from the unemployment compensation trust fund and this credit shall include both contributory and reimbursable employers, notwithstanding section 96.8, subsection 5. However, provided the benefits were not received as the result of fraud or willful misrepresentation by the individual, benefits shall not be recovered from an individual if the employer did not participate in the initial determination to award benefits pursuant to section 96.6, subsection 2, and an overpayment occurred because of a subsequent reversal on appeal regarding the issue of the individual's separation from employment. The employer shall not be charged with the benefits.

(2) An accounting firm, agent, unemployment insurance accounting firm, or other entity that represents an employer in unemployment claim matters and demonstrates a continuous pattern of failing to participate in the initial determinations to award benefits, as determined and defined by rule by the department, shall be denied permission by the department to represent any employers in unemployment insurance matters. This subparagraph does not apply to attorneys or counselors admitted to practice in the courts of this state pursuant to section 602.10101.

The administrative law judge concludes that the claimant has been overpaid unemployment insurance benefits in the amount of \$1,787.00 pursuant to Iowa Code § 96.3(7) as the decision of the administrative law judge has not been vacated. The decision that created the overpayment decision is now the subject of another hearing on March 26, 2009.

DECISION:

The February 19, 2009, reference 04, decision is affirmed. The claimant has been overpaid unemployment insurance benefits in the amount of \$1,787.00.
