OC: 01/25/09
Claimant: Appellant (1)

Section 96.5-1 – Voluntary Quit

STATEMENT OF THE CASE:

Claimant filed an appeal from a decision of a representative dated June 30, 2010, reference 01, which held claimant ineligible for unemployment insurance benefits. After due notice, a telephone conference hearing was scheduled for and held on August 26, 2010. Claimant participated. Employer participated by Colleen McGuinty, Unemployment Benefits Administrator and Dennis Leeser, Account Manager.

ISSUE:

The issue in this matter is whether claimant quit for good cause attributable to employer.

FINDINGS OF FACT:

The administrative law judge, having heard the testimony and considered all of the evidence in the record, finds: Claimant last worked for employer on May 24, 2010. Claimant worked a one day assignment at Thunder Hills Golf. Claimant did not contact the employer within three days of the end of the assignment as required by policy. Claimant was given a copy of the policy at the time of hire. The policy dictates that failure to call in within three days of the end of an assignment is considered a voluntary quit.

REASONING AND CONCLUSIONS OF LAW:

The administrative law judge holds that the evidence has established that claimant voluntarily quit for good cause attributable to employer when claimant terminated the employment relationship because she did not contact the employer within three days of the end of an assignment in violation of policy. This is a quit without good cause attributable to employer. Benefits withheld.

Iowa Code section 96.5-1 provides:

An individual shall be disqualified for benefits:

1. Voluntary quitting. If the individual has left work voluntarily without good cause attributable to the individual's employer, if so found by the department.

Iowa Code section 96.5-1-j provides:

An individual shall be disqualified for benefits:

1. Voluntary quitting. If the individual has left work voluntarily without good cause attributable to the individual's employer, if so found by the department, but the individual shall not be disqualified if the department finds that:

j. The individual is a temporary employee of a temporary employment firm who notifies the temporary employment firm of completion of an employment assignment and who seeks reassignment. Failure of the individual to notify the temporary employment firm of completion of an employment assignment within three working days of the completion of each employment assignment under a contract of hire shall be deemed a voluntary quit unless the individual was not advised in writing of the duty to notify the temporary employment firm upon completion of an employment assignment or the individual had good cause for not contacting the temporary employment firm within three working days and notified the firm at the first reasonable opportunity thereafter.

To show that the employee was advised in writing of the notification requirement of this paragraph, the temporary employment firm shall advise the temporary employee by requiring the temporary employee, at the time of employment with the temporary employment firm, to read and sign a document that provides a clear and concise explanation of the notification requirement and the consequences of a failure to notify. The document shall be separate from any contract of employment and a copy of the signed document shall be provided to the temporary employee.

For the purposes of this paragraph:

(1) "Temporary employee" means an individual who is employed by a temporary employment firm to provide services to clients to supplement their work force during absences, seasonal workloads, temporary skill or labor market shortages, and for special assignments and projects.

(2) "Temporary employment firm" means a person engaged in the business of employing temporary employees.

DECISION:

The decision of the representative dated June 30, 2010, reference 01, is affirmed. Unemployment insurance benefits shall be withheld until claimant has worked in and been paid wages for insured work equal to ten times claimant's weekly benefit amount, provided claimant is otherwise eligible.
