**OC: 03/14/21**

**Claimant: Appellant (1)**

Iowa Code § 96.1A(37) – Definitions – Total, partial unemployment

Iowa Code § 96.4(3) – Eligibility – A&A – Able to, available for, work search

Iowa Code § 96.7(2)A(2) – Charges – Same base period employment

Iowa Admin. Code r. 871-24.23(26) – Eligibility – A&A – Part-time same hours, wages

Iowa Code § 96.6(2) – Filing – Timely Appeal

Iowa Admin. Code r. 871-24.35 – Filing

**STATEMENT OF THE CASE:**

Claimant filed an appeal from the June 16, 2021 (reference 01) unemployment insurance decision that denied benefits because she was still employed at the same wage and hours. The parties were properly notified of the hearing. A telephone hearing was held on December 1, 2021. Claimant participated. Employer participated through Rodney Schutzman, President. No exhibits were admitted. Official notice was taken of the administrative record.

**ISSUES:**

Whether claimant filed a timely appeal.

Whether claimant is totally, partially or temporarily unemployed.

Whether claimant is able to and available for work.

Whether claimant is still employed at the same hours and wages.

Whether employer's account is subject to charge.

**FINDINGS OF FACT:**

Having reviewed the evidence in the record, the administrative law judge finds: The Unemployment Insurance Decision was mailed to claimant at the correct address on June 16, 2021. Claimant received the decision but does not recall the date of receipt.

The decision states that it becomes final unless an appeal is postmarked or received by Iowa Workforce Development Appeals Section by June 26, 2021. Claimant appealed the decision online on November 2, 2021 after receiving decisions stating that she had been overpaid benefits. Claimant's appeal was received by Iowa Workforce Development on November 2, 2021.

Claimant did not appeal the decision prior to the deadline because she erroneously believed that the decision was in reference to the governor's recent announcement that Iowa would no

longer be participating in the federal Pandemic Unemployment Assistance program. Claimant did not contact Iowa Workforce Development to clarify the purpose and impact of the decision. The decision states, "if this decision denies benefits and is not reversed on appeal, it may result in an overpayment which you will be required to repay."

### **REASONING AND CONCLUSIONS OF LAW:**

For the reasons that follow, the administrative law judge concludes claimant's appeal was untimely.

Iowa Code § 96.6(2) provides, in pertinent part: "[u]nless the claimant or other interested party, after notification or within ten calendar days after notification was mailed to the claimant's last known address, files an appeal from the decision, the decision is final and benefits shall be paid or denied in accordance with the decision."

Iowa Admin. Code r. 871-24.35(1) provides:

1. Except as otherwise provided by statute or by division rule, any payment, appeal, application, request, notice, objection, petition, report or other information or document submitted to the division shall be considered received by and filed with the division:

(a) If transmitted via the United States Postal Service on the date it is mailed as shown by the postmark, or in the absence of a postmark the postage meter mark of the envelope in which it is received; or if not postmarked or postage meter marked or if the mark is illegible, on the date entered on the document as the date of completion.

(b) If transmitted via the State Identification Data Exchange System (SIDES), maintained by the United States Department of Labor, on the date it was submitted to SIDES.

(c) If transmitted by any means other than [United States Postal Service or the State Identification Data Exchange System (SIDES)], on the date it is received by the division.

Iowa Admin. Code r. 871-24.35(2) provides:

2. The submission of any payment, appeal, application, request, notice, objection, petition, report or other information or document not within the specified statutory or regulatory period shall be considered timely if it is established to the satisfaction of the division that the delay in submission was due to division error or misinformation or to delay or other action of the United States postal service.

The Iowa Supreme Court has declared that there is a mandatory duty to file appeals from representatives' decisions within the time allotted by statute, and that the administrative law judge has no authority to change the decision of a representative if a timely appeal is not filed. *Franklin v. IDJS*, 277 N.W.2d 877, 881 (Iowa 1979). Compliance with appeal notice provisions is jurisdictional unless the facts of a case show that the notice was invalid. *Beardslee v. IDJS*, 276 N.W.2d 373, 377 (Iowa 1979); see also *In re Appeal of Elliott* 319 N.W.2d 244, 247 (Iowa 1982). The question in this case thus becomes whether the appellant was deprived of a reasonable opportunity to assert an appeal in a timely fashion? *Hendren v. IESC*, 217 N.W.2d 255 (Iowa 1974); *Smith v. IESC*, 212 N.W.2d 471, 472 (Iowa 1973).

Claimant received the decision but did not appeal the decision until after the deadline. Claimant's delay was due to her confusion about the purpose and impact of the decision and not due to any agency error or misinformation or delay of the United States Postal Service. The appeal was not timely. Therefore, the administrative law judge lacks jurisdiction to make a determination with respect to the nature of the appeal.

**DECISION:**

Claimant's appeal was not timely. The administrative law judge has no authority to change the decision of the representative. The June 16, 2021 (reference 01) unemployment insurance decision is affirmed.
