**ADMINISTRATIVE LAW JUDGE
DECISION**

DANFOSS POWER SOLUTIONS (US) COMP
Employer

OC: 07/19/20
Claimant: Appellant (2)

Section 96.4-3 – Able and Available for Work

STATEMENT OF THE CASE:

The claimant filed a timely appeal from the September 8, 2020, reference 02, decision that determined she was not able and available for work effective July 19, 2020. After due notice was issued, a hearing was held by telephone conference call before Administrative Law Judge Julie Elder on November 18, 2020. The claimant participated in the hearing. The employer did not respond to the hearing notice and did not participate in the hearing.

ISSUE:

The issue is whether the claimant is able and available for work effective July 19, 2020.

FINDINGS OF FACT:

Having reviewed all of the evidence in the record, the administrative law judge finds: The claimant was employed as a full-time production/operations technician for Danfoss Power Solutions from May 15, 2015 to July 19, 2020. The claimant suffered a seizure November 21, 2018, and the employer placed her on a paid medical leave of absence from November 21, 2018 through July 19, 2020. It terminated her employment July 19, 2020, because although her treating neurologist released her without restrictions November 23, 2019, the employer's doctor placed several restrictions on the claimant's employment and the employer said because of the restrictions she could not perform her job without accommodations that it was not willing to provide. The employer terminated the claimant's employment July 19, 2020. The claimant began looking for another job immediately and started a new position at Continental approximately one month after her separation.

REASONING AND CONCLUSIONS OF LAW:

For the reasons that follow, the administrative law judge concludes the claimant is able and available for work effective July 19, 2020.

Iowa Code section 96.4-(3)

An unemployed individual shall be eligible to receive benefits with respect to any week only if the department finds that:

3. The individual is able to work, is available for work, and is earnestly and actively seeking work. This subsection is waived if the individual is deemed partially unemployed, while employed at the individual's regular job as defined in section 96.19, subsection 38, paragraph "b", unnumbered paragraph (1), or temporarily unemployed as defined in section 96.19, subsection 38, paragraph "c". The work search requirements of this subsection and the disqualification requirement for failure to apply for, or to accept suitable work of section 96.5, subsection 3 are waived if the individual is not disqualified for benefits under section 96.5, subsection 1, paragraph "h".

The claimant has no medical restriction or other limitation on her employability effective July 19, 2020. Accordingly, benefits are allowed.

DECISION:

The September 8, 2020, reference 02, decision is reversed. The claimant is able and available for work. Benefits are allowed, provided the claimant is otherwise eligible.
