APPEAL 15A-UI-06019-B2T

ORDER NUNC PRO TUNC

WAL-MART STORES INC

Employer

OC: 04/05/15

Claimant: Respondent

The appeal for the May 12, 2015, (reference 04) (OC 04/05/15) representative's decision allowing benefits was set up in error. Whereas the issues listed in the Notice of Appeal and Hearing mentioned that there will be the separation issue, overpayment issue, repayment of benefits issue, and recalculation of monetary determination issue addressed, all of those issues had been previously addressed with the exception of the business closing issue.

On or about June 23, 2015, in case 15A-UI-05476-H2T, Administrative Law Judge Teresa Hillary entered a default decision dismissing the case because the claimant did not participate in the hearing. As such is the case, the ruling previously entered in 15A-UI-06019-B2T is hereby set aside in its reference to the issues involving separation, overpayment of benefits, and repayment of benefits. Judge Hillary's decision was dispositive on those issues. In regard to the business closing issue, the ruling entered on July 7, 2015 in this case continues to be in full force and effect.
