Claimant: Appellant (2)**

Section 96.4-3 – Work Search

**STATEMENT OF THE CASE:**

The claimant filed an appeal from an unemployment insurance decision dated December 21, 2010, reference 02, that issued a work search warning upon a finding that the claimant had not made an adequate work search for the week ending December 18, 2010. After reviewing all matters of record, the administrative law judge concludes that a formal hearing is not required.

**ISSUE:**

Should the claimant receive a warning for failing to make at least two in-person job contacts during the week in question?

**FINDINGS OF FACT:**

The claimant conducted an active work search during the week ending December 18, 2010. The warning was issued in error.

**REASONING AND CONCLUSIONS OF LAW:**

The warning shall be removed because it was issued in error.

**DECISION:**

The unemployment insurance decision dated December 21, 2010, reference 02, is reversed. The warning is removed from the claimant's record.
