LUKE R GRAN Claimant	APPEAL NO: 14A-UI-06196-DT
PRACTICAL FARMERS OF IOWA Employer	ADMINISTRATIVE LAW JUDGE DECISION
	OC: 05/04/14 Claimant: Appellant (2)

Section 96.3-7 - Recovery of Overpayment of Benefits

STATEMENT OF THE CASE:

Luke R. Gran (claimant) appealed a representative's June 9, 2014 decision (reference 02) that concluded he had been overpaid unemployment insurance benefits. After a hearing notice was mailed to the claimant's last-known address of record, a telephone hearing was convened on July 29, 2014 and reconvened and concluded on July 30. This appeal was consolidated for hearing with one related appeal, 14A-UI-06195-DT. The claimant participated in the hearing and was represented by James Gran, attorney at law. Based on the evidence, the arguments of the claimant, and the law, the administrative law judge enters the following findings of fact, reasoning and conclusions of law, and decision reversing the representative's decision.

ISSUE:

Was the claimant overpaid unemployment insurance benefits?

FINDINGS OF FACT:

A representative issued a decision dated June 6, 2014 (reference 01) that concluded the claimant was disqualified from receiving benefits after a separation from employment from Practical Farmers of Iowa (employer). The claimant timely appealed that decision and in the concurrently issued decision in appeal 14A-UI-06195-DT, that decision has been reversed.

The overpayment decision was issued in this case as a result of the June 6, 2014 (reference 01) disqualification decision.

REASONING AND CONCLUSIONS OF LAW:

The issue in this case is whether the claimant is overpaid benefits of \$408.00.

The unemployment insurance law provides that benefits must be recovered from a claimant who receives benefits and is later determined to be ineligible for benefits, even though the claimant acted in good faith and was not otherwise at fault. Iowa Code § 96.3-7. In this case, the

claimant received benefits for which she subsequently was deemed ineligible in the representative's decision issued on June 6, 2014. The disqualification from that decision has been reversed in the concurrently issued decision in 14A-UI-06195-DT. Therefore, the administrative law judge concludes that the claimant was not overpaid benefits.

DECISION:

The representative's June 9, 2014 decision (reference 02) is reversed. The claimant is not overpaid benefits.
