DECISION**

**IOWA WORKFORCE
DEVELOPMENT DEPARTMENT**

OC: 01/16/11
Claimant: Appellant (4)

Iowa Code § 96.4(4) - \$250 Wage Requirement for Subsequent Year

PROCEDURAL STATEMENT OF THE CASE:

The claimant appealed a representative's January 26, 2011 determination (reference 01) that held him ineligible to receive benefits as of January 16, 2011 because he had not been paid a minimum of \$250 in wages since January 10, 2010. Before the hearing was held on March 3, another determination was issued on February 25, 2011 (reference 02). This determination resolved the issue the claimant appealed. On March 3, the claimant informed the administrative about the February 25 determination and agreed this later determination resolved the issue he appealed and there was no need for a hearing.

FINDINGS OF FACT:

Before a hearing could be held in this matter, a second determination was issued. See the representative's February 25, 2011 determination (reference 02). The February 25, 2011 determination resolved the issue the claimant had appealed.

REASONING AND CONCLUSIONS OF LAW:

Since the February 25, 2011 determination resolved the issue the claimant appealed, there was no need for a hearing.

DECISION:

The representative's January 26, 2011 determination (reference 01) has been reversed by a later February 25, 2011 determination (reference 02). The claimant is eligible to receive benefits as of January 16, 2011, provided he is otherwise eligible.
