APPEAL 21A-UI-03566-CL-T
**ADMINISTRATIVE LAW JUDGE
DECISION**

OC: 03/29/20
Claimant: Appellant (1)

Iowa Code § 96.4(3) – Able and Available

STATEMENT OF THE CASE:

On January 22, 2021, the claimant filed an appeal from the January 12, 2021, (reference 01) unemployment insurance decision that denied benefits. The parties were properly notified about the hearing. A telephone hearing was held on March 29, 2021. Claimant participated. Employer did not register for the hearing and did not participate. Claimant's Exhibit A was received.

ISSUE:

Is the claimant able to and available for work?

FINDINGS OF FACT:

Having reviewed all of the evidence in the record, the administrative law judge finds: Claimant began working for employer in February 2016. Claimant is a part-time employee.

In March 2020, the United States declared a public health emergency due to the COVID 19 pandemic. Claimant has a seven-year old son in elementary school. Claimant's son was in contact with a staff member who tested positive for COVID 19. His school and the public health department required claimant's son to quarantine from September 22, 2020, through October 6, 2020. The son's daycare also closed during this time period by order of the public health authorities. Therefore, claimant had no alternative but to stay home with her son during this time period.

REASONING AND CONCLUSIONS OF LAW:

For the reasons that follow, the administrative law judge concludes that the claimant is not able to work and available for work effective September 20, 2020.

Iowa Code section 96.4(3) provides:

An unemployed individual shall be eligible to receive benefits with respect to any week only if the department finds that:

3. The individual is able to work, is available for work, and is earnestly and actively seeking work. This subsection is waived if the individual is deemed partially unemployed, while employed at the individual's regular job, as defined in section 96.19, subsection 38, paragraph "b", unnumbered paragraph (1), or temporarily unemployed as defined in section 96.19, subsection 38, paragraph "c". The work search requirements of this subsection and the disqualification requirement for failure to apply for, or to accept suitable work of section 96.5, subsection 3 are waived if the individual is not disqualified for benefits under section 96.5, subsection 1, paragraph "h".

Iowa Admin. Code r. 871-24.23(10) provides:

Availability disqualifications. The following are reasons for a claimant being disqualified for being unavailable for work.

(10) The claimant requested and was granted a leave of absence, such period is deemed to be a period of voluntary unemployment and shall be considered ineligible for benefits for such period.

Here, claimant was on a leave of absence due to her son being in mandatory quarantine. Claimant has not established she is able to and available for work, even under the United States Department of Labor's guidance to flexibly interpret this requirement. See Unemployment Insurance Program Letter No. 10-20. Therefore, claimant is not eligible for regular, state-funded unemployment insurance benefits from the effective date of the claim.

Even though claimant is not eligible for regular unemployment insurance benefits under state law, the claimant may be eligible for federally funded unemployment insurance benefits under the Coronavirus Aid, Relief, and Economic Security Act ("Cares Act"), Public Law 116-136. Section 2102 of the CARES Act creates a new temporary federal program called Pandemic Unemployment Assistance (PUA) that in general provides up to 39 weeks of unemployment benefits. An individual receiving PUA benefits may also receive the \$600 weekly benefit amount (WBA) under the Federal Pandemic Unemployment Compensation (FPUC) program if he or she is eligible for such compensation for the week claimed.

DECISION:

The January 12, 2021, (reference 01) unemployment insurance decision is affirmed. The claimant is not available for work effective September 20, 2020, and regular, state-funded unemployment insurance benefits are denied. Claimant may be eligible for Pandemic Unemployment Assistance.
