Iowa Admin. Code r. 871-24.23(26) - Part-Time Same Hours, Wages  
Iowa Code § 96.4(3) - Able and Available to Work  
Iowa Code § 96.1A(37) - Total and Partial Unemployment  
Iowa Code § 96.7(2)a(2) - Same Base Period Employment  
Iowa Code § 17A.12(3) - Default Decision  
Iowa Admin. Code r. 871-26.14(7) - Dismissal of Appeal on Default

**STATEMENT OF THE CASE:**

The employer/appellant, Express Services Inc, timely appealed the November 1, 2021, (reference 04) unemployment insurance decision that concluded claimant was eligible for unemployment insurance benefits beginning July 4, 2021, as long as they meet all other eligibility requirements. Notices of hearing were mailed to the parties' last known addresses of record for a telephone hearing scheduled for December 30, 2021 at 10:00AM. The claimant participated. The Appeals Bureau's conference call system indicates the employer, Express Services Inc, failed to call into the hearing and did not participate. The Department did not participate. Judicial notice was taken of the administrative file.

**ISSUE:**

Should the appeal be dismissed based on the appellant's failure to appear and participate?

**FINDINGS OF FACT:**

The parties were properly notified of the scheduled hearing for this appeal. The appellant failed to call the toll-free number listed on the hearing notice at the time of the hearing. The appellant did not participate or request a postponement of the hearing as required by the hearing notice. Official notice of the Clear2there hearing control screen is taken to establish that appellant did not call at the time of the hearing.

The hearing notice instruction specifically advises parties of the date and time of hearing. It also states:

**IMPORTANT NOTICE!**

**YOU MUST CALL** the toll-free number: **866-783-7021** at the time of the hearing. When instructed, enter the PIN Number **124404** followed by the pound key [#] and wait for the administrative law judge to begin the hearing.

The administrative law judge **WILL NOT** call you for the hearing, you **MUST** call into the number provided above to participate. **Failure to participate in the hearing may result in the dismissal of your appeal.**

The back page of the hearing notice provides further hearing instructions stating, "You must call the toll-free number on the front of this notice at the time of the hearing to participate." This information also appears on the hearing notice in Spanish.

An insert was sent along with the hearing notice stating:

**ATTENTION!**

**Instructions for participating in a hearing have changed.**

Please review the enclosed hearing notice carefully and follow the instructions on how to join the call on the scheduled day and time of the hearing.

As a courtesy to the appellant, the record was left open for a minimum of 15 minutes after the hearing start time to give the appellant a reasonable opportunity to participate. Holding the appellant in default for failure to appear and participate during a 15-minute window after the hearing start time is reasonable considering the time allocated for unemployment hearings.

The IWD representative's decision remains in effect.

**REASONING AND CONCLUSIONS OF LAW:**

The Iowa Administrative Procedure Act at Iowa Code § 17A.12(3) provides that if a party fails to appear or participate in a hearing after proper service of notice, the judge may enter a default decision or proceed with the hearing and make a decision in the absence of the party.

Iowa Admin. Code r. 871-26.14(7) provides:

(7) If a party has not responded to a notice of telephone hearing by providing the appeals bureau with the names and telephone numbers of the persons who are participating in the hearing by the scheduled starting time of the hearing or is not available at the telephone number provided, the presiding officer may proceed with the hearing. If the appealing party fails to provide a telephone number or is unavailable for the hearing, the presiding officer may decide the appealing party is in default and dismiss the appeal as provided in Iowa Code section 17A.12(3). The record may be reopened if the absent party makes a request to reopen the hearing in writing under subrule 26.8(3) and shows good cause for reopening the hearing.

In this case, the appellant did not call the toll-free number listed on the hearing notice at the time of the hearing. The appellant is in default with the recording stopped at 10:16AM. The appeal should be dismissed.

If the appellant disagrees with this decision, the appellant may appeal the decision directly to the Employment Appeal Board, whose address is listed at the top right caption.

**DECISION:**

The November 1, 2021, (reference 04) unemployment insurance decision that concluded claimant was eligible for unemployment insurance benefits beginning July 4, 2021, as long as they meet all other eligibility requirements remains in effect, as the appellant is in default and the appeal is **DISMISSED**.
