Section 96.4-7 – Reemployment Services

STATEMENT OF THE CASE:

Wayne Price (claimant) appealed a representative's August 19, 2004 decision (reference 01) that concluded he did not participate in reemployment services as required. After a hearing notice was mailed to the claimant's last-known address of record, a telephone hearing was held on September 23, 2004. The claimant did participate.

FINDINGS OF FACT:

The administrative law judge, having considered all of the evidence in the record, finds that: The claimant filed a claim for unemployment insurance benefits with an effective date of July 11, 2004. The Agency sent the claimant a letter requiring him to attend orientation on

August 17, 2004. He did not receive the notice and did not attend. The claimant has since participated in reemployment services.

REASONING AND CONCLUSIONS OF LAW:

Iowa Code section 96.4-7 provides:

An unemployed individual shall be eligible to receive benefits with respect to any week only if the department finds that:

7. The individual participates in reemployment services as directed by the department pursuant to a profiling system, established by the department, which identifies individuals who are likely to exhaust benefits and be in need of reemployment services.

The claimant has participated in reemployment services as required. He is eligible to receive unemployment insurance benefits.

DECISION:

The representative's August 19, 2004 decision (reference 01) is reversed. The claimant is eligible to receive unemployment insurance benefits.
