Iowa Code § 96.16(4) – Offenses and Misrepresentation
Iowa Code Ch. 17A – Iowa Administrative Procedure Act
Iowa Code Ch. 96 – Iowa Employment Security Act

Iowa Admin. Code r. 871-26.8(1) - Withdrawals, dismissals and postponements

STATEMENT OF THE CASE:

On February 28, 2024, claimant Jager A. Halstead filed an appeal from the January 22, 2024 (reference 01) unemployment insurance decision that determined claimant was not eligible to receive benefits due to an unpaid fraud overpayment balance. Notices of hearing were mailed to the parties' last known addresses of record for a telephone hearing scheduled for 2:00 p.m. on Tuesday, March 26, 2024. The UI Appeals Bureau determined after the hearing was scheduled that the appeal was set up in error. No hearing was held.

ISSUE:

Should the appeal set up on the incorrect underlying decision be dismissed?

FINDINGS OF FACT:

Having reviewed all of the evidence in the record, the administrative law judge finds: The claimant filed an appeal to the unemployment insurance benefits decision that found he was not eligible to receive benefits due to an unpaid fraud overpayment balance. A mistake was made when entering the appeal into the system, which prompted this appeal number (24A-UI-02359) to be entered over an old appeal. The old appeal information has now been recovered and this appeal has been deleted from Iowa Workforce Development's TN3270 database.

A new appeal case number (24A-UI-03336-LJ-T has been set up and that matter has been adjudicated.

REASONING AND CONCLUSIONS OF LAW:

Iowa Admin. Code r. 871-24.19(3) provides:

Determination and review of benefit rights.

Upon receiving a written request for review or, on its own initiative and on the basis of the facts as it may have in its possession or may acquire, the benefits bureau may affirm, modify, or reverse the prior decision, or refer the claim to an administrative law judge. The claimant or any other party filing the request for review shall be promptly notified of the decision or referral. Unless the claimant or any other party files an appeal within ten days after the date of mailing, the latter decision shall be final, and benefits shall be paid or denied in accordance therewith.

Iowa Admin. Code r. 871-26.8(1) provides

Withdrawals, dismissals, and postponements.

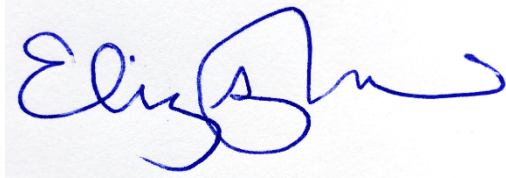

An appeal may be withdrawn at any time prior to the issuance of a decision upon the request of the appellant and with the approval of an administrative law judge or the manager or chief administrative law judge of the appeals bureau. Requests for withdrawal may be made in writing or orally, provided the oral request is tape-recorded by the presiding officer.

An appeal may be dismissed upon the request of a party or in the agency's discretion when the issue or issues on appeal have been resolved in the appellant's favor.

The claimant filed an appeal to the January 22, 2024 (reference 01) unemployment insurance decision that found him ineligible for receiving benefits due to an outstanding fraud overpayment balance. The appeal was set up on the incorrect underlying decision and on top of an old appeal, causing that old appeal to disappear from the IWD database. This appeal as was set up originally – docketed as 24A-UI-02359 – has been deleted from IWD's mainframe system and is now dismissed, as it was set up in error.

DECISION:

The appeal in this case is dismissed as case was set up erroneously. The claimant's appeal from the unemployment insurance benefits decision has been addressed in the case using the correct appeal number, 24A-UI-03336-LJ-T.
