APPEAL NO. 20A-UI-06485-B2T

**ADMINISTRATIVE LAW JUDGE
DECISION**

THE UNIVERSITY OF IOWA
Employer

OC: 04/12/20
Claimant: Appellant (1R)

Iowa Admin. Code r. 871-24.23(26) – Part-Time Worker – Same Wages and Hours
Iowa Code § 96.4-3 – Able and Available
Iowa Code § 96.7(2)A(2) – Partial Benefits
Iowa Code § 96.19(38) – Total and Partial Unemployment

STATEMENT OF THE CASE:

Claimant filed an appeal from a decision of a representative dated June 12, 2020, reference 01, which held claimant not able and available for work. After due notice, a hearing was scheduled for and held on July 23, 2020. Claimant participated personally. Claimant's Exhibits A-B were admitted into evidence

ISSUES:

Whether claimant is still employed at the same hours and wages?

Whether claimant is eligible to receive partial benefits?

Whether claimant is able and available for work?

FINDINGS OF FACT:

The claimant currently works for The University of Iowa, a base period employer, part time under the same terms and conditions as contemplated in the original contract of hire. Claimant also has other part time wages in the base period history.

Claimant continues to work on an on-call basis for employer as she had done throughout her employment. At times she receives hours, and at many other times, she receives no hours. Claimant has had additional employment through her base period, but that employment did not pay full time wages.

REASONING AND CONCLUSIONS OF LAW:

For the reasons that follow, the administrative law judge concludes the claimant is not partially unemployed.

Iowa Code section 96.4(3) provides:

An unemployed individual shall be eligible to receive benefits with respect to any week only if the department finds that:

3. The individual is able to work, is available for work, and is earnestly and actively seeking work. This subsection is waived if the individual is deemed partially unemployed, while employed at the individual's regular job, as defined in section 96.19, subsection 38, paragraph "b", unnumbered paragraph (1), or temporarily unemployed as defined in section 96.19, subsection 38, paragraph "c". The work search requirements of this subsection and the disqualification requirement for failure to apply for, or to accept suitable work of section 96.5, subsection 3 are waived if the individual is not disqualified for benefits under section 96.5, subsection 1, paragraph "h".

Iowa Code section 96.19(38) provides:

"Total and partial unemployment".

a. An individual shall be deemed "totally unemployed" in any week with respect to which no wages are payable to the individual and during which the individual performs no services.

b. An individual shall be deemed partially unemployed in any week in which either of the following apply:

(1) While employed at the individual's then regular job, the individual works less than the regular full-time week and in which the individual earns less than the individual's weekly benefit amount plus fifteen dollars.

(2) The individual, having been separated from the individual's regular job, earns at odd jobs less than the individual's weekly benefit amount plus fifteen dollars.

c. An individual shall be deemed temporarily unemployed if for a period, verified by the department, not to exceed four consecutive weeks, the individual is unemployed due to a plant shutdown, vacation, inventory, lack of work or emergency from the individual's regular job or trade in which the individual worked full-time and will again work full-time, if the individual's employment, although temporarily suspended, has not been terminated.

Iowa Admin. Code r. 871-24.23(26) provides:

Availability disqualifications. The following are reasons for a claimant being disqualified for being unavailable for work.

(26) Where a claimant is still employed in a part-time job at the same hours and wages as contemplated in the original contract for hire and is not working on a reduced workweek basis different from the contract for hire, such claimant cannot be considered partially unemployed.

Because the claimant has no other full time base-period wages and is currently employed part time, claimant is not considered partially unemployed. Benefits are denied.

This matter will be remanded to the benefits bureau for a determination as to any overpayment of state or federal benefits in this matter.

Note to Claimant: Even though claimant is not eligible for regular unemployment insurance benefits under state law, she may be eligible for federally funded unemployment insurance benefits under the Coronavirus Aid, Relief, and Economic Security Act ("Cares Act"), Public Law 116-136. Section 2102 of the CARES Act creates a new temporary federal program called Pandemic Unemployment Assistance (PUA) that in general provides up to 39 weeks of unemployment benefits. An individual receiving PUA benefits may also receive the \$600 weekly benefit amount (WBA) under the Federal Pandemic Unemployment Compensation (FPUC) program if he or she is eligible for such compensation for the week claimed. **You will need to apply for PUA to determine your eligibility under the program.** Additional information on how to apply for PUA can be found at <https://www.iowaworkforcedevelopment.gov/pua-information>.

DECISION:

The June 12, 2020, reference 01, decision is affirmed. The claimant is not partially unemployed and benefits are denied.

This matter will be remanded to the benefits bureau for a determination as to any overpayment of state or federal benefits in this matter.
