SECTION: 96.5-2-A, 24.32-7

DECISION

UNEMPLOYMENT BENEFITS ARE DENIED

The Claimant appealed this case to the Employment Appeal Board. The members of the Employment Appeal Board reviewed the entire record. The Appeal Board finds the administrative law judge's decision is correct. The administrative law judge's Findings of Fact and Reasoning and Conclusions of Law are adopted by the Board as its own. The administrative law judge's decision is **AFFIRMED**.

The Claimant submitted additional evidence to the Board which was not contained in the administrative file and which was not submitted to the administrative law judge. While the additional evidence was reviewed for the purposes of determining whether admission of the evidence was warranted despite it not being presented at hearing, the Employment Appeal Board, in its discretion, finds that the admission of the additional evidence is not warranted in reaching today's decision. There

is no sufficient cause why the new and additional information submitted by the Claimant was not presented at hearing. Accordingly all the new and additional information submitted has not been relied upon in making our decision, and has received no weight whatsoever, but rather has been wholly disregarded.
