Section 96.4-3 - Adequate Work Search

STATEMENT OF THE CASE:

The claimant filed a timely appeal from the May 25, 2004, reference 04, decision that warned he may be disqualified for future weeks in which benefits are claimed and fewer than two in-person job contacts are made. After due notice was issued, a hearing was held on June 10, 2004. The claimant participated in the hearing.

FINDINGS OF FACT:

Having reviewed all of the evidence in the record, the administrative law judge finds: The claimant filed a claim for unemployment insurance benefits with an effective date of May 2, 2004. During the week ending May 15, 2004, the claimant failed to conduct at least two in-person work searches but instead chose to make Internet job searches. He was aware of

the in-person work search requirements but because of the cost of gas and lack of jobs he decided to make Internet work searches.

REASONING AND CONCLUSIONS OF LAW:

Iowa Code Section 96.4-3 provides:

An unemployed individual shall be eligible to receive benefits with respect to any week only if the department finds that:

3. The individual is able to work, is available for work, and is earnestly and actively seeking work. This subsection is waived if the individual is deemed partially unemployed, while employed at the individual's regular job, as defined in section 96.19, subsection 38, paragraph "b", unnumbered paragraph 1, or temporarily unemployed as defined in section 96.19, subsection 38, paragraph "c". The work search requirements of this subsection and the disqualification requirement for failure to apply for, or to accept suitable work of section 96.5, subsection 3 are waived if the individual is not disqualified for benefits under section 96.5, subsection 1, paragraph "h".

The claimant is obligated to make at least two in-person work searches during each week benefits are claimed. The claimant failed to do so. Accordingly, the warning was appropriate.

DECISION:

The May 25, 2004, reference 04, decision is affirmed. The decision warning the claimant to conduct at least two in-person work searches during each week benefits are claimed was appropriate.
