**ADMINISTRATIVE LAW JUDGE  
DECISION**

**IOWA WORKFORCE  
DEVELOPMENT DEPARTMENT**

**OC: 11-08-09**  
**Claimant: Appellant (2)**

Iowa Code § 96.4(3) – Able and Available  
871 IAC 24.2(1)e – Failure to Report

**STATEMENT OF THE CASE:**

The claimant filed a timely appeal from the June 7, 2010, reference 02, decision that denied benefits for the one-week period ending June 5, 2010 because of a failure to report as directed. After due notice was issued, a telephone conference hearing was held on July 24, 2010. The claimant participated.

**ISSUE:**

The issue is whether failed to report to Iowa Workforce Development (IWD) as directed.

**FINDINGS OF FACT:**

Having heard the testimony and having examined the evidence in the record, the administrative law judge finds: On April 26, 2010, a notice was mailed to the claimant to report to IWD or fill out an online application by May 21, 2010. After receiving the notice, the claimant went online and updated her application as she had been instructed to do. When she was notified that she had been denied benefits, she went to her local office to inquire as to why her online application had not updated. She was assisted by an employee and her application was updated.

**REASONING AND CONCLUSIONS OF LAW:**

For the reasons that follow, the administrative law judge concludes the claimant has established that she did report as directed.

Iowa Code § 96.4-3 provides:

An unemployed individual shall be eligible to receive benefits with respect to any week only if the department finds that:

3. The individual is able to work, is available for work, and is earnestly and actively seeking work. This subsection is waived if the individual is deemed partially unemployed, while employed at the individual's regular job, as defined in section 96.19, subsection 38, paragraph "b", unnumbered paragraph 1, or temporarily unemployed as defined in section 96.19, subsection 38, paragraph "c". The work search requirements of this subsection and the disqualification requirement for failure to apply for, or to accept suitable work of section 96.5, subsection 3 are waived if the individual is not disqualified for benefits under section 96.5, subsection 1, paragraph "h".

871 IAC 24.2(1)e provides:

e. In order to maintain continuing eligibility for benefits during any continuous period of unemployment, an individual shall report as directed to do so by an authorized representative of the department. If the individual has moved to another locality, the individual may register and report in person at a workforce development center at the time previously specified for the reporting.

The method of reporting and the payment of benefits, provided the individual is otherwise eligible, shall be on a biweekly basis by mail if the claimant files a Form 60-0151.

The method of reporting shall be weekly if a voice response continued claim is filed, unless otherwise directed by an authorized representative of the department. An individual who files a voice response continued claim will have the benefit payment automatically deposited weekly in the individual's financial institution's account or be paid by the mailing of a warrant on a biweekly basis.

In order for an individual to receive payment by direct deposit, the individual must provide the department with the appropriate bank routing code number and a checking or savings account number.

The department retains the ultimate authority to choose the method of reporting and payment.

871 IAC 24.23(11) provides:

Availability disqualifications. The following are reasons for a claimant being disqualified for being unavailable for work.

(11) Failure to report as directed to workforce development in response to the notice which was mailed to the claimant will result in the claimant being deemed not to meet the availability requirements.

The claimant followed the instructions and updated her application online, but the computer did not update it. The claimant did not fail to report as directed; thus, benefits are allowed.

**DECISION:**

The June 7, 2010, reference 02, decision is reversed. The claimant has established she did report as directed. Benefits are allowed effective May 23, 2010, provided the claimant is otherwise eligible.
