BEFORE THE EMPLOYMENT APPEAL BOARD Lucas State Office Building Fourth floor Des Moines, Iowa 50319

LUCAS H DAILY Claimant	HEARING NUMBER: 19BUI-07604
	EMPLOYMENT APPEAL BOARD DECISION

SECTION: 10A.601 Employment Appeal Board Review

DECISION

FINDINGS OF FACT:

The notice of hearing in this matter was mailed October 2, 2019. The notice set a hearing for October 17, 2019. The Claimant did not appear for or participate in the hearing. The reason the Claimant did not appear is because the Claimant did not provide a telephone number at which he could be reached, and he did not receive a call to participate. The Claimant contacted the administrative law judge approximately 38 minutes after the scheduled start of the hearing.

REASONING AND CONCLUSIONS OF LAW:

Iowa Code section 10A.601(4) (2015) provides:

4. Appeal board review. The appeal board may on its own motion affirm, modify, or set aside any decision of a administrative law judge on the basis of the evidence previously submitted in such case, or direct the taking of additional evidence, or may permit any of the parties to such decision to initiate further appeals before it. The appeal board shall permit such further appeal by any of the parties interested in a decision of an administrative law judge and by the representative whose decision has been overruled or modified by the administrative law judge. The appeal board shall review the case pursuant to rules adopted by the appeal board. The appeal board shall promptly notify the interested parties of its findings and decision.

Here the Claimant did not participate in the hearing because he had not provided a telephone number for the administrative law judge to call. When the he did not receive a call, he contacted the administrative law judge within a reasonable timeframe after the scheduled hearing time, which established his intention to follow through with the appeals process. For this reason, the matter will be remanded for another hearing before an administrative law judge so that the Claimant may avail himself of his due process right. 07604

We caution the Claimant that, barring exceptional circumstances, we will not again excuse a failure to call in a number where the Claimant could be reached.

DECISION:

The decision of the administrative law judge dated October 17, 2019 is not vacated and remains in force unless and until the Department makes a differing determination pursuant to this remand. This matter is remanded to an administrative law judge in the Workforce Development Center, Appeals Section. The administrative law judge shall conduct a hearing following due notice. After the hearing, the administrative law judge shall issue a decision which provides the parties appeal rights.
