Section 96.4-3 – Able and Available

### STATEMENT OF THE CASE:

Employer filed an appeal from a decision of a representative dated June 13, 2013, reference 04, which held claimant able and available for work. After due notice, a hearing was scheduled for and held on July 26, 2013. Claimant participated personally. Employer failed to respond to the hearing notice and did not participate.

### ISSUE:

The issue in this matter is whether claimant is able and available for work.

### FINDINGS OF FACT:

The administrative law judge, having heard the testimony and considered all of the evidence in the record, finds: Claimant is able and available for full-time work with all employers effective May 12, 2013.

### REASONING AND CONCLUSIONS OF LAW:

Iowa Code section 96.4-3 provides:

An unemployed individual shall be eligible to receive benefits with respect to any week only if the department finds that:

3. The individual is able to work, is available for work, and is earnestly and actively seeking work. This subsection is waived if the individual is deemed partially unemployed, while employed at the individual's regular job, as defined in section 96.19, subsection 38, paragraph "b", unnumbered paragraph 1, or temporarily unemployed as defined in section 96.19, subsection 38, paragraph "c". The work search requirements of this subsection and the disqualification requirement for failure to apply for, or to accept suitable work of section 96.5, subsection 3 are waived if the individual is not disqualified for benefits under section 96.5, subsection 1, paragraph "h".

Benefits shall be allowed effective May 12, 2013 as claimant is able and available for work with all employers.

**DECISION:**

The decision of the representative dated June 13, 2013, reference 04, is affirmed. Claimant is eligible to receive unemployment insurance benefits, effective May 12, 2013, provided claimant meets all other eligibility requirements.
