(Decision Dated & Mailed)

Section 96.4-3 - Able and Available/Work Search

STATEMENT OF THE CASE:

The claimant filed a timely appeal from an August 8, 2006, reference 03, decision that found the claimant warned for the week ending August 5, 2006, because of inadequate in-person work search contacts. After due notice was issued, a hearing was held on August 23, 2006, with the claimant participating and waiving notice and the opening statement.

FINDINGS OF FACT:

Having reviewed all of the evidence in the record, the administrative law judge finds: The claimant's testimony that he had secured full-time work is credible. During the last week in

which claimant filed a telephone claim, claimant reported zero job contacts. Claimant had secured full time employment and was requesting only partial unemployment.

REASONING AND CONCLUSIONS OF LAW:

For the reasons that follow, the administrative law judge concludes that the claimant has made appropriate in-person work search contacts.

Iowa Code section 96.4-3 provides:

An unemployed individual shall be eligible to receive benefits with respect to any week only if the department finds that:

3. The individual is able to work, is available for work, and is earnestly and actively seeking work. This subsection is waived if the individual is deemed partially unemployed, while employed at the individual's regular job, as defined in section 96.19, subsection 38, paragraph "b", unnumbered paragraph 1, or temporarily unemployed as defined in section 96.19, subsection 38, paragraph "c". The work search requirements of this subsection and the disqualification requirement for failure to apply for, or to accept suitable work of section 96.5, subsection 3 are waived if the individual is not disqualified for benefits under section 96.5, subsection 1, paragraph "h".

The claimant has sufficiently demonstrated to the satisfaction of the administrative law judge that appropriate in-person work search contacts were made for the week ending August 5, 2006. Accordingly, the warning is removed.

DECISION:

The August 8, 2006 reference 03, decision is reversed. The claimant did make appropriate in person work search contacts for the week ending August 5, 2006. The warning is removed.
