Public Law 116-136, Sec. 2104 – Federal Pandemic Unemployment Compensation

**STATEMENT OF THE CASE:**

On August 28, 2021, the claimant Linda R. Wagner appealed the August 27, 2021, (reference 04) decision that concluded the claimant was overpaid Federal Pandemic Unemployment Compensation (“FPUC”) benefits in the amount of \$3,000.00 for the five-week period ending July 25, 2020. A telephone hearing was held at 10:00 a.m. on Thursday, October 21, 2021, pursuant to due notice. Appeal numbers 21A-UI-19017-LJ-T, 21A-UI-19018-LJ-T, 21A-UI-19019-LJ-T, and 21A-UI-19020-LJ-T were heard together and created one record. The claimant, Linda R. Wagner, participated. The employer, Polk County, did not register and did not participate. Claimant’s Exhibit A was received and admitted into the record. The administrative law judge took official notice of the administrative record.

**ISSUE:**

Whether claimant is overpaid FPUC benefits.

**FINDINGS OF FACT:**

Having reviewed all of the evidence in the record, the administrative law judge finds: The decision that disqualified claimant from receiving unemployment insurance benefits and, thus, FPUC benefits (and resulted in the overpayment) has been modified in favor of the claimant. See 21A-UI-19017-LJ-T.

**REASONING AND CONCLUSIONS OF LAW:**

For the reasons that follow, the administrative law judge concludes claimant was not overpaid FPUC benefits.

PL 116-136, Sec. 2104 provides, in pertinent part:

(b) Provisions of Agreement

(1) Federal pandemic unemployment compensation.--Any agreement under this section shall provide that the State agency of the State will make payments of regular compensation to individuals in amounts and to the extent that they would be determined

if the State law of the State were applied, with respect to any week for which the individual is (disregarding this section) otherwise entitled under the State law to receive regular compensation, as if such State law had been modified in a manner such that the amount of regular compensation (including dependents' allowances) payable for any week shall be equal to

(A) the amount determined under the State law (before the application of this paragraph), plus

(B) an additional amount of \$600 (in this section referred to as "Federal Pandemic Unemployment Compensation").

....

(f) Fraud and Overpayments

(2) Repayment.--In the case of individuals who have received amounts of Federal Pandemic Unemployment Compensation to which they were not entitled, the State shall require such individuals to repay the amounts of such Federal Pandemic Unemployment Compensation to the State agency, except that the State agency may waive such repayment if it determines that—

(A) the payment of such Federal Pandemic Unemployment Compensation was without fault on the part of any such individual; and

(B) such repayment would be contrary to equity and good conscience.

Because claimant was not disqualified from receiving benefits by the underlying decision, claimant was entitled to receive FPUC benefits. The administrative law judge concludes that claimant was not overpaid FPUC benefits.

**DECISION:**

The August 27, 2021 (reference 04) unemployment insurance decision is reversed. Claimant was not overpaid FPUC benefits.
