Section 96.4-3 - Active Work Search

STATEMENT OF THE CASE:

The claimant appealed an unemployment insurance decision dated January 4, 2006, reference 03, that warned that the claimant had failed to make two in-person job contacts for the week ending December 31, 2005. A telephone hearing was held on January 25, 2006. The claimant participated in the hearing.

FINDINGS OF FACT:

The claimant filed a new claim for unemployment insurance benefits with an effective date of December 18, 2005. At the time the claimant filed for benefits, the claimant was informed and understood that he was required to actively seek work by personally contacting two employers each week seeking employment.

The claimant made two in-person job contacts during the week ending December 31, 2005. He contacted J.C. Roofing and applied for work at Sara Lee by filing his application with Iowa Workforce Development, because Sara Lee was using IWD to take applications. After the week ended, the claimant filed a weekly claim for benefits using the voice response system. The claimant mistakenly reported that he had made only one in-person job contact. Based on that response, the agency issued a warning that the claimant could be disqualified in a future week if he failed to make two in-person job contacts.

REASONING AND CONCLUSIONS OF LAW:

Iowa Code section 96.4-3 provides:

An unemployed individual shall be eligible to receive benefits with respect to any week only if the department finds that:

3. The individual is able to work, is available for work, and is earnestly and actively seeking work. This subsection is waived if the individual is deemed partially unemployed, while employed at the individual's regular job, as defined in section 96.19, subsection 38, paragraph "b", unnumbered paragraph 1, or temporarily unemployed as defined in section 96.19, subsection 38, paragraph "c". The work search requirements of this subsection and the disqualification requirement for failure to apply for, or to accept suitable work of section 96.5, subsection 3 are waived if the individual is not disqualified for benefits under section 96.5, subsection 1, paragraph "h".

871 IAC 24.23(28) provides:

(28) A claimant will be ineligible for benefits because of failure to make an adequate work search after having been previously warned and instructed to expand the search for work effort.

The claimant made an active search for work in accordance with the law and the instructions given to him for the week ending December 31, 2005. The warning was therefore unwarranted.

DECISION:

The unemployment insurance decision dated January 4, 2006, reference 03, is reversed. The agency shall remove the warning from its records, since issuance of the warning was unwarranted.
