Claimant: Appellant (1)**

Iowa Code § 96.6(2) – Filing – Timely Appeal
Iowa Admin. Code r. 871-24.35 – Filing
Iowa Code § 96.4(3) – Able and Available

STATEMENT OF THE CASE:

Claimant filed an appeal from the July 6, 2020 unemployment insurance decision that denied benefits. The parties were properly notified of the hearing. A telephone hearing was held on March 3, 2021. Claimant participated personally. The employer participated through witness, Lori Forsythe. Official notice was taken of the administrative record.

ISSUE:

Whether claimant filed a timely appeal.

FINDINGS OF FACT:

Having reviewed the evidence in the record, the administrative law judge finds: The Unemployment Insurance Decision was mailed to the claimant on July 6, 2020 at the correct address. Claimant received the decision within a few days of its mailing. The decision states that it becomes final unless an appeal is postmarked or received by Iowa Workforce Development Appeals Section by July 16, 2020. If the date falls on a Saturday, Sunday, or legal holiday, the appeal period is extended to the next working day. Claimant appealed the decision online on December 21, 2020. The appeal was received by Iowa Workforce Development on December 21, 2020. Claimant testified that he didn't know how to submit his appeal, so he delayed submitting it until December 21, 2020.

REASONING AND CONCLUSIONS OF LAW:

For the reasons that follow, the administrative law judge concludes that employer's appeal was untimely.

Iowa Code § 96.6(2) provides, in pertinent part: “[u]nless the claimant or other interested party, after notification or within ten calendar days after notification was mailed to the claimant's last known address, files an appeal from the decision, the decision is final and benefits shall be paid or denied in accordance with the decision.”

Iowa Admin. Code r. 871-24.35(1) provides:

1. Except as otherwise provided by statute or by division rule, any payment, appeal, application, request, notice, objection, petition, report or other information or document submitted to the division shall be considered received by and filed with the division:

(a) If transmitted via the United States Postal Service on the date it is mailed as shown by the postmark, or in the absence of a postmark the postage meter mark of the envelope in which it is received; or if not postmarked or postage meter marked or if the mark is illegible, on the date entered on the document as the date of completion.

(b) If transmitted via the State Identification Data Exchange System (SIDES), maintained by the United States Department of Labor, on the date it was submitted to SIDES.

(c) If transmitted by any means other than [United States Postal Service or the State Identification Data Exchange System (SIDES)], on the date it is received by the division.

Iowa Admin. Code r. 871-24.35(2) provides:

2. The submission of any payment, appeal, application, request, notice, objection, petition, report or other information or document not within the specified statutory or regulatory period shall be considered timely if it is established to the satisfaction of the division that the delay in submission was due to division error or misinformation or to delay or other action of the United States postal service.

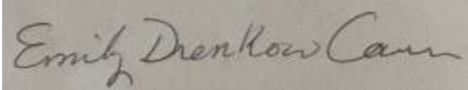

The Iowa Supreme Court has declared that there is a mandatory duty to file appeals from representatives' decisions within the time allotted by statute, and that the administrative law judge has no authority to change the decision of a representative if a timely appeal is not filed. *Franklin v. IDJS*, 277 N.W.2d 877, 881 (Iowa 1979). Compliance with appeal notice provisions is jurisdictional unless the facts of a case show that the notice was invalid. *Beardslee v. IDJS*, 276 N.W.2d 373, 377 (Iowa 1979); see also *In re Appeal of Elliott* 319 N.W.2d 244, 247 (Iowa 1982).

Claimant received the decision prior to the appeal deadline but did not submit its appeal until December 21, 2020. Claimant's delay in submitting its appeal was not due to any agency error or misinformation or delay of the United States Postal Service. Claimant's appeal was not timely.

Therefore, the administrative law judge lacks jurisdiction to make a determination with respect to the nature of the appeal.

DECISION:

Claimant's appeal was not timely. The July 6, 2020 unemployment insurance decision is affirmed. The administrative law judge has no authority to change the decision of the representative.
