JORDAN C LEONARD Claimant	APPEAL NO. 14A-UI-00472-H2T
	ADMINISTRATIVE LAW JUDGE DECISION
IOWA WORKFORCE DEVELOPMENT DEPARTMENT	
	OC: 12/22/13

Claimant: Appellant (2)

Iowa Code § 96.4(3) - Adequate Work Search

STATEMENT OF THE CASE:

The claimant filed a timely appeal from the January 2, 2014, reference 02, decision. The decision warned that the claimant may be disqualified for future weeks in which benefits are claimed and fewer than two in-person job contacts are made but did not deny benefits for that week. After reviewing the claimant's appeal letter the administrative law judge determined that no additional testimony was necessary and no hearing was held.

ISSUE:

The issue is whether the warning to make two or more in-person job contacts per week is appropriate.

FINDINGS OF FACT:

Having reviewed all of the evidence in the record, the administrative law judge finds: The claimant filed a claim for unemployment insurance benefits with an effective date of December 22, 2013. During the week ending December 28, 2013, the claimant did not make any job contacts. The claimant inadvertently indicated when he filed his claim that he was off work due to a shutdown, when in fact he was only on a one-week temporary layoff. As a temporarily laid off employee he was not required to make job searches.

REASONING AND CONCLUSIONS OF LAW:

Iowa Code section 96.4-3 provides:

An unemployed individual shall be eligible to receive benefits with respect to any week only if the department finds that:

3. The individual is able to work, is available for work, and is earnestly and actively seeking work. This subsection is waived if the individual is deemed partially

unemployed, while employed at the individual's regular job, as defined in section 96.19, subsection 38, paragraph "b", unnumbered paragraph 1, or temporarily unemployed as defined in section 96.19, subsection 38, paragraph "c". The work search requirements of this subsection and the disqualification requirement for failure to apply for, or to accept suitable work of section 96.5, subsection 3 are waived if the individual is not disqualified for benefits under section 96.5, subsection 1, paragraph "h".

The claimant has sufficiently demonstrated to the satisfaction of the administrative law judge that claimant was not required to make the job searches as he was only temporarily unemployed. Accordingly, the warning was inappropriate.

DECISION:

The January 2, 2014, reference 02, decision is reversed. The decision warning the claimant to conduct at least two in-person work searches during each week benefits are claimed was inappropriate.
