APPEAL 23A-UI-03252-DG-T

**ADMINISTRATIVE LAW JUDGE
DECISION**

OC: 05/10/20
Claimant: Appellant (1)

Iowa Code § 96.3(7) – Overpayment of Benefits
Iowa Code § 96.5(5) – Wages
Iowa Code § 96.19(38)a & b – Total and Partial Unemployment

STATEMENT OF THE CASE:

The claimant filed an appeal from the March 20, 2023 (reference 02) Iowa Workforce Development (“IWD”) unemployment insurance decision which concluded the claimant was overpaid unemployment insurance benefits because he failed to accurately report earnings while concurrently filing weekly claims for unemployment insurance benefits.

The parties were properly notified of the hearing. A telephone hearing was held on April 12, 2023. The claimant participated personally. The employer did participate through Mary Peterson, Human Resources Officer. Seth Jones, Investigator II, participated on behalf of IWD. IWD Exhibits 1-2 were admitted. The administrative law judge took official notice of the claimant’s unemployment insurance benefits record.

ISSUES:

Is claimant overpaid benefits?
Is the claimant totally, partially or temporarily unemployed?
Did the claimant correctly report wages earned?
Is the claimant eligible for benefits based on the wages earned?

FINDINGS OF FACT:

Having reviewed all of the evidence in the record, the administrative law judge finds: The claimant filed a claim for unemployment insurance benefits with an effective date of May 10, 2020.

When the claim was established, the claimant was directed to read the Unemployment Insurance Handbook. The Unemployment Insurance Handbook includes instructions for properly filing claims and informs claimants that failure to follow the instructions could result in a denial or overpayment of benefits. The handbook also informs claimants that they should call IWD customer service for help if they don’t understand the information in the handbook.

With respect to "Reporting Earnings," the handbook states:

Gross earnings/wages (before tax and payroll deductions) must be reported on the weekly claim during the week the wages are earned, not when the wages are paid. Earnings must be reported even if the payment has not been received yet. To calculate the amount to report, the individual should multiply the number of hours worked by the hourly wage. Individuals should report the full gross amount of earnings and IWD will calculate any deductions. If an individual earns \$15.00 over their WBA, they will not receive a benefit payment.

The handbook also provides in part:

Overpayment

Individuals are responsible for repaying any benefits they were not eligible to receive. Future UI benefit payments are withheld until the overpayment has been recovered in full. If the individual is not making attempts to repay the overpayment, the debt may be recovered by withholding state and federal tax refunds, casino and lottery winnings, and vendor payments. Overpayments caused by fraud include a 15% penalty.

In addition, each week the claimant would complete a weekly continued claim, he would see a screen online which provided:

It is important that you answer all questions truthfully.

WARNING: Attempting to claim and receive unemployment insurance benefits by entering false information can result in loss of benefits, fines and imprisonment.

Before completing his weekly continued claim each week, the claimant had to check a box that stated he understood the warning message above and wished to proceed.

IWD conducted an audit and discovered that claimant received wages from Allen Memorial Hospital during a 19 week period ending September 19, 2020, but failed to correctly report the wages. IWD contacted the employer to verify the wages claimant earned. The employer confirmed the claimant was paid for those weeks.

Because the claimant did not accurately report his wages during this same period, an overpayment of \$3,047.60 was determined by IWD. Claimant did not dispute wages reported by employer.

REASONING AND CONCLUSIONS OF LAW:

For the reasons that follow, the administrative law judge concludes as follows:

Iowa Code section 96.3(3) provides:

3. Partial unemployment. An individual who is partially unemployed in any week as defined in section 96.1A, subsection 37, paragraph "b", and who meets the conditions of eligibility for benefits shall be paid with respect to that week an amount equal to the individual's weekly benefit amount less that part of wages payable to the individual with respect to that week in excess of one-fourth of the individual's weekly benefit amount. The benefits shall be rounded to the lower multiple of one dollar.

Iowa Code § 96.4(3) provides:

An unemployed individual shall be eligible to receive benefits with respect to any week only if the department finds that:

3. The individual is able to work, is available for work, and is earnestly and actively seeking work. *This subsection is waived if the individual is deemed partially unemployed, while employed at the individual's regular job, as defined in section 96.19, subsection 38, paragraph "b", subparagraph (1), or temporarily unemployed as defined in section 96.19, subsection 38, paragraph "c".* The work search requirements of this subsection and the disqualification requirement for failure to apply for, or to accept suitable work of section 96.5, subsection 3, are waived if the individual is not disqualified for benefits under section 96.5, subsection 1, paragraph "h".

(emphasis added).

Iowa Code § 96.19(38)b provides:

As used in this chapter, unless the context clearly requires otherwise:

38. "Total and partial unemployment".

a. An individual shall be deemed "totally unemployed" in any week with respect to which no wages are payable to the individual and during which the individual performs no services.

b. An individual shall be deemed partially unemployed in any week in which either of the following apply:

(1) While employed at the individual's then regular job, the individual works less than the regular full-time week and in which the individual earns less than the individual's weekly benefit amount plus fifteen dollars.

(2) The individual, having been separated from the individual's regular job, earns at odd jobs less than the individual's weekly benefit amount plus fifteen dollars.

c. An individual shall be deemed temporarily unemployed if for a period, verified by the department, not to exceed four consecutive weeks, the individual is unemployed due to a plant shutdown, vacation, inventory, lack of work, or emergency from the individual's regular job or trade in which the individual worked full-time and will again work full-time, if the individual's employment, although temporarily suspended, has not been terminated.

Iowa Admin. Code r. 871-24.18 provides:

Wage-earnings limitation. An individual who is partially unemployed may earn weekly a sum equal to the individual's weekly benefit amount plus \$15 before being disqualified for excessive earnings. If such individual earns less than the individual's weekly benefit amount plus \$15, the formula for wage deductions shall be a sum equal to the individual's weekly benefit amount less that part of wages, payable to the individual with respect to that week and rounded to the lower multiple of one dollar, in excess of one-fourth of the individual's weekly benefit amount.

Iowa Admin. Code r. 871-23.3(1) provides:

(1) "Wages" means all remuneration for personal services, including commissions and bonuses and the cash value of all remuneration in any medium other than cash. Wages also means wages in lieu of notice, separation allowance, severance pay, or dismissal pay. The reasonable cash value of remuneration in any medium other than cash shall be estimated and determined in accordance with rule 23.2(96).

Iowa Code section 96.3(7) provides, in pertinent part:

7. Recovery of overpayment of benefits.

a. If an individual receives benefits for which the individual is subsequently determined to be ineligible, even though the individual acts in good faith and is not otherwise at fault, the benefits shall be recovered. The department in its discretion may recover the overpayment of benefits either by having a sum equal to the overpayment deducted from any future benefits payable to the individual or by having the individual pay to the department a sum equal to the overpayment.

Following an audit by IWD it was determined that claimant earned more wages than initially reported. No evidence was presented that the wages reported by the employer to IWD were inaccurate or incorrect. Consequently, the claimant was able to collect both wages and unemployment insurance benefits each week. As a result, the claimant was overpaid benefits in the amount of \$3,047.60, to which claimant was not entitled. The administrative law judge concludes therefore, that the overpayment was correctly calculated.

DECISION:

The March 20, 2023 (reference 02) unemployment insurance decision is affirmed. Claimant is overpaid unemployment insurance benefits in the amount of \$3,047.60.
