APPEAL 17A-UI-11209-NM-T
**ADMINISTRATIVE LAW JUDGE
DECISION**

**IOWA WORKFORCE DEVELOPMENT
DEPARTMENT**

OC: 06/11/17
Claimant: Appellant (2)

Iowa Code § 96.4(3) - Able and Available
Iowa Admin. Code r. 871-24.2(1)e – Notice to Report
Iowa Admin. Code r. 871-24.23(11) – Failure to Report

STATEMENT OF THE CASE:

The claimant filed a timely appeal from the October 26, 2017, (reference 06) unemployment insurance decision that denied benefits because of a failure to report as directed. After due notice was issued, a telephone conference hearing was set for November 20, 2017. Claimant participated.

ISSUE:

Did the claimant fail to report as directed or offer a good cause reason for failure to do so?

FINDINGS OF FACT:

Having heard the testimony and having examined the evidence in the record, the administrative law judge finds: A notice was mailed to the claimant to be available for a call from IWD on October 25, 2017, at 8:30 a.m. about her availability for work the week ending October 14, 2017. The claimant did not report because the claimant did not receive the notice until her mail arrived the afternoon of October 25, 2017. As soon as the claimant received the notice in the mail she called Iowa Workforce Development to explain the situation, but was told it was too late and a decision had been made. The claimant filed a weekly claim and mistakenly indicated she was not available for work.

REASONING AND CONCLUSIONS OF LAW:

For the reasons that follow, the administrative law judge concludes the underlying issue was the result of a reporting error, and the claimant has established a good cause reason for having failed to report as directed.

Iowa Code section 96.4(3) provides:

An unemployed individual shall be eligible to receive benefits with respect to any week only if the department finds that:

3. The individual is able to work, is available for work, and is earnestly and actively seeking work. This subsection is waived if the individual is deemed partially unemployed, while employed at the individual's regular job, as defined in section 96.19, subsection 38, paragraph "b", unnumbered paragraph (1), or temporarily unemployed as defined in section 96.19, subsection 38, paragraph "c". The work search requirements of this subsection and the disqualification requirement for failure to apply for, or to accept suitable work of section 96.5, subsection 3 are waived if the individual is not disqualified for benefits under section 96.5, subsection 1, paragraph "h".

Iowa Admin. Code r. 871-24.2(1)e provides:

e. In order to maintain continuing eligibility for benefits during any continuous period of unemployment, an individual shall report as directed to do so by an authorized representative of the department. If the individual has moved to another locality, the individual may register and report in person at a workforce development center at the time previously specified for the reporting.

(1) An individual who files a weekly continued claim will have the benefit payment automatically deposited weekly in the individual's account at a financial institution or on a selected debit card.

(2) In order for an individual to receive payment by direct deposit, the individual must provide the department with the appropriate bank routing code number and a checking or savings account number.

(3) The department retains the ultimate authority to choose the method of reporting and payment.

Iowa Admin. Code r. 871-24.23(11) provides:

Availability disqualifications. The following are reasons for a claimant being disqualified for being unavailable for work.

(11) Failure to report as directed to workforce development in response to the notice which was mailed to the claimant will result in the claimant being deemed not to meet the availability requirements.

Claimant did not receive notice of the fact-finding interview until several hours after the scheduled interview time. Since she did not receive the notice, claimant has established a good cause reason for failing to report as directed.

DECISION:

The October 26, 2017, (reference 06) unemployment insurance decision is reversed. The claimant has established a good cause reason for failing to report as directed. The underlying issue was the result of a reporting error. Benefits are allowed effective October 22, 2017, provided she is otherwise eligible. Any benefits claimed and withheld on this basis shall be paid.
