DECISION**

DEPARTMENT**

OC: 04/12/20
Claimant: Appellant (1)

Iowa Code § 96.5(13) – Disqualification due to Outstanding Fraud Overpayment
Iowa Code § 96.16(4) – Offenses and Misrepresentation

STATEMENT OF THE CASE:

The claimant/appellant, Galindo, filed an appeal from the September 23, 2020 (reference 06) Iowa Workforce Development (“IWD”) unemployment insurance decision which concluded the claimant was ineligible for unemployment insurance benefits due to an outstanding fraud overpayment balance.

The parties were properly notified of the hearing. A telephone hearing was held on November 13, 2020. The claimant, Galindo, participated personally. Daniel Noonan participated on behalf of IWD. IWD Exhibits 1-5 were admitted. The administrative law judge took official notice of the claimant’s unemployment insurance benefits records. Based on the evidence, the arguments presented, and the law, the administrative law judge enters the following findings of fact, reasoning and conclusions of law, and decision.

ISSUE:

Is the claimant ineligible for benefits due to an outstanding fraud overpayment balance?

FINDINGS OF FACT:

Having reviewed all of the evidence in the record, the administrative law judge finds: The claimant filed a claim for unemployment insurance benefits with an effective date of April 12, 2020. During that claim year, an investigatory audit was conducted regarding the claimant’s failure to report all wages while she concurrently filed weekly continued claims for benefits.

Consequently, a decision was issued on 11/13/20 which found that the claimant was overpaid benefits of \$11,263.00, plus interest and a 15% penalty due to fraud.

The claimant is now making efforts to pay and address the outstanding overpayment with IWD.

REASONING AND CONCLUSIONS OF LAW:

For the reasons that follow, the administrative law judge concludes that the claimant is ineligible for benefits until the balance of the benefits received by the claimant due to misrepresentation, including all penalties, interest, and lien fees are paid in full. Benefits are denied at this time.

Iowa Code section 96.16(4)(a) provides:

4. Misrepresentation.

a. An individual who, by reason of the nondisclosure or misrepresentation by the individual or by another of a material fact, has received any sum as benefits under this chapter while any conditions for the receipt of benefits imposed by this chapter were not fulfilled in the individual's case, or while the individual was disqualified from receiving benefits, shall, be liable to repay to the department for the unemployment compensation fund, a sum equal to the amount so received by the individual. If the department seeks to recover the amount of the benefits by having the individual pay to the department a sum equal to that amount, the department may file a lien with the county recorder in favor of the state on the individual's property and rights to property, whether real or personal. The amount of the lien shall be collected in a manner similar to the provisions for the collection of past-due contributions in section 96.14, subsection 3.

"Fraud" means the intentional misuse of facts or truth to obtain or increase unemployment insurance benefits for oneself or another or to avoid the verification and payment of employment security taxes; a false representation of a matter of fact, whether by statement or by conduct, by false or misleading statements or allegations; or by the concealment or failure to disclose that which should have been disclosed, which deceives and is intended to deceive another so that they, or the department, shall not act upon it to their, or its, legal injury. Iowa Admin. Code r. 871- 25.1. "Misrepresentation" means to give misleading or deceiving information to or omit material information; to present or represent in a manner at odds with the truth. Iowa Admin. Code r. 871- 25.1

The undisputed evidence is the claimant participated in an investigatory audit on September 15, 2020 which resulted in Iowa Workforce Development establishing an overpayment and imposing a penalty due to misrepresentation/fraud. The administrative law judge concludes the claimant has an established overpayment derived from fraud/misrepresentation

Iowa Code section 96.5(13) provides:

Overpayment resulting in disqualification. If the department finds that an individual has received benefits by reason of misrepresentation pursuant to section 96.16, such individual shall be disqualified for benefits until the balance of the benefits received by the individual due to misrepresentation, including all penalties, interest, and lien fees, is paid in full.

Based on the evidence presented, the administrative law judge concludes the claimant currently owes a balance at or around \$11,263.00 plus penalty and interest. Because this fraud balance remains unpaid, the claimant is not eligible for benefits at this time.

DECISION:

The September 23, 2020 (reference 06) unemployment insurance decision is affirmed. The claimant is ineligible for benefits. Benefits are withheld until the claimant has paid the unpaid fraud overpayment balance, plus penalties, interest, and lien fees, provided claimant is otherwise eligible.
